[REDACTED] advised that a friend informed him that some radical group had a special telephone number to call during which it spread anti negro information and requested the dialer to send \$1.00 to get a "CIVIL RIGHTS PACKET" The telephone number is CO 3-6520

A call was placed to this number by SA [REDACTED] and a recorded message began with "LET FREEDOM RING". It mentioned a quote from the MANCHESTER UNION LEADER newspaper inferring that politicians are bending over backwards for the 10% of negroes who make up the population. It referred to the vast occurrence of lawlessness among the negroes which the press conceals from the public; negroes preaching armed rebellion and revolution. It states that President JOHNSON is in the Civil Rights Movement with both feet and JOHNSON can best be described by the Bible in Proverb 26, Verse 17. Mentions congress being pressured to pass a law making it illegal for citizens to own firearms and urges that the white people purchase guns for self protection. Listeners are requested to send \$1.00 to Box 11435 Phila Pa to secure a "CIVIL RIGHTS PACKET"

Dear [redacted]

The following may be of interest to you.

On August 1, 1964, [redacted]
[redacted] furnished the following information by
telephone to a postal inspector.

[redacted] advised that she had been requested by
persons unnamed to telephone CO 3-6520 and upon doing so,
a transcribed male voice proceeded to give a discourse on
current situations and incidents relating to today's racial
problems. Derogatory references were made concerning
President Johnson, The Catholic Press, and the National
Council of Churches. Other inferences were made apparently
to incite violence. The voice advised that efforts are
being undertaken to outlaw the private ownership of guns,
and such efforts could be opposed by sending \$1.00 to P.O.
Box 11435, Philadelphia, Pa., for a Civil Rights Packet.
Other information could be obtained outlining methods to
combat the present racial strife.

In view of the reference to President Johnson, the
foregoing information is also being furnished the Agent
in Charge, U. S. Secret Service, Philadelphia, Pa.

Sincerely yours,

[redacted]

be the recipient of additional information that might be of value to the FBI. He offered to arrange a meeting and introduction. The writer was on annual leave at the time and it was agreed that on the writer's return to duty a meeting would be set up.

On 7/30 THOMAS M. REED, Assistant District Attorney, visited this office and advised of a meeting held in North Philadelphia the previous evening in an attempt to forestall local tension arising out of the foreclosure activities of Constables. REED said that [redacted] had chaired the meeting and that minutes were taken by a representative of the Commission on Human Relations. The writer phoned to [redacted] to arrange for copy of the minutes and [redacted] put [redacted] on the phone. [redacted] arranged for us to obtain a copy of the minutes from a representative of his office. In the telephone conversation he gave every evidence of desiring to cooperate fully and of having an intelligent understanding of FBI interest.

On 8/4 [redacted] came to the office to meet the SAC and the writer participated in the conference. His particular concern related to the possible influx into Philadelphia of people from the outside for the purpose of fermenting racial strife. He asked if the FBI would be able under appropriate circumstances to let him know if such people were in Philadelphia. In this regard it was pointed out to him that in view of his desire to cooperate with this office we would, in the normal course of events, be inquiring of him as to the activities of such people and although we would not divulge confidential information from the files improperly or illegally, we would be discussing with him the presence of such people in order to obtain information we needed.

Allegations regarding outsiders in Philadelphia in connection with Rent Strike activities had already been reported as part of the minutes of the recent meeting in North Philadelphia.

Memo Ph 157-1214

[] was especially concerned regarding information he had received on Friday, July 31 from [] [] told him that she had been working with juvenile gangs in an effort to redirect them toward constructive activity. One of the youths came to her expressing fear of violence in Philadelphia about September 1. According to her story to [] a group known as Blood Brothers described as a militant arm of the Black Muslims in New York City, are being squeezed out of New York. They are looking for a place to go and have decided to come to Philadelphia. About the preceding weekend they had sent some 20 to 30 people into Philadelphia as an advance guard and in due course, some 400 to 500 may come to Philadelphia. The advance guard allegedly registered at the Sylvania Hotel. [] said she had one of her people make inquiry of the doorman at the Sylvania, who said there had been an unusually rough looking group at the hotel. It is also her information that they were at the Sylvania until the previous Tuesday (presumably 7/28). [] had inquiry made at the Sylvania but obtained no corroborative information.

b6
b7C

Although he has no specific knowledge, he assumes that the reference to Black Muslims, and Blood Brothers, actually applies to [] group (NMI).

[] also sounded a note of caution by saying that from his own experience working with delinquent youths, he knows that the process of deciding whether to trust a youth worker sometimes involves imparting information for the purpose of testing the adult to determine how far the adult can be trusted and he thinks it may be that a teen-ager is attempting to test [] to see what she does with the information.

* * * * *

[] also mentioned the "Lat Freedom Ring" telephone recordings. He said his office is recording the messages from day to day and plans to confer with officials of the Bell Telephone Company with the hope that something may be done to "discourage" them.

* * * * *

Memo Ph 157-1214

Arrangements were made for continuing liaison with the Commission on Human Relations:

1) The Commission will immediately furnish information and such maps as are available regarding the concentrations of Negroes, Puerto Ricans and other possibly pertinent minority groups in Philadelphia. There are available in the office of the Commission some 19 large maps showing population trends up to and including information derived from the 1963 Voters' Registration. There are no copies of these maps, but if we wish, we can photograph them and prepare copies. Arrangements will be made for this to be done.

2) The Commission will furnish us on a continuing basis with information indicating that racial tension exists or that incidents have occurred or may occur which might result in widespread violence.

3) The Commission will advise us of specific cases of discrimination referred to the Commission which may possibly later be referred to this office as violations of the Civil Rights Act of 1964 (in the light of the existence of the Pennsylvania and Philadelphia Human Relations Commissions, such matters can not be investigated by the Federal Government until the local authorities have had 30 days to handle them.) It is assumed that in all, or almost all instances, the matters will be handled satisfactorily by the local authorities within that time. It was pointed out to [] that our current instructions with regard to complaints received here prior to the expiration of the 30 days was that we will accept and record the information, but will refer the complainant to appropriate Commission on Human Relations as having first jurisdiction.

4) [] will consider and suggest to us the names of trustworthy people in the Negro communities whom we would then be able to contact and develop as neighborhood sources. We will use [] name as entree to most or all of these people.

Memo Ph 157-1214

Regarding the information on Blood Brothers, we have recently received some information from New York about the existence of such a group. Concurrently, the police have advised us of the information received from [redacted] and their follow up efforts and other alleged activities of Blood Brothers have come from other sources. On 8/6 New York is being queried by teletype for more specifics regarding plans of Blood Brothers relative to Philadelphia. On 8/7 a meeting is scheduled with the representatives of the Crime Prevention Association, who claim to have additional details on the activities in Philadelphia. This is the subject of a separate memo.

After the meeting on 8/7 additional inquiry will be made independently at the Sylvania Hotel since that meeting may produce sufficient detail to pin down dates, names, etc.

Any possible follow-up interview with [redacted] will also await the details that can be furnished by the Crime Prevention Association and NYO.

Regarding the maps at the office of the Commission on Human Relations, 625 City Hall Annex, SE [redacted] and SA [redacted] should arrange to visit the office and view the maps for the purpose of taking photographs.

LET FREEDOM RING

During July and August 1964, the Philadelphia Office of the Federal Bureau of Investigation has received information that by dialing Telephone Number CO 3-6520 a telephone message is received, giving a discourse on political and racial issues. The message begins with the phrase, "Let Freedom Ring." Thereafter a lengthy message is received with comments regarding various matters.

Following are verbatim transcripts of messages received by dialing CO 3-6520:

July 31, 1964

Let Freedom Ring. From the "Manchester Union Leader" we quote: "The surprising strong showing of Governor GEORGE WALLACE, of Alabama, in the Wisconsin presidential primary, on that same day the race riots in Cleveland indicate that even in the far north the white people are becoming tired of being shoved around by the black minority." The white people of Wisconsin are not anti-Negro and neither is Let Freedom Ring, but we are sick of race riots, hate-driven racial agitators of both races, and federally-forced associations. Congressman CLEFF (phonetic), of Kentucky, said before the House of Representatives, said that many civil rights leaders have, "either forgotten or have never been told that persons of good breeding: first - never seek invitations, and second - they do not go where they are not invited, and third - do not remain where they are not wanted." LET FREEDOM RING

has been one of the first to warn of the secret Negro army of revolution now organizing. In the face of this news where are the liberal bleeding hearts who want to disarm peaceful citizens by federal law. Why are they not speaking out against the army of Communist revolution? We suggest that you call your local newspaper and ask them why they are not helping to inform the citizens of Philadelphia about the clear and precise danger now. If you have not sent for your civil rights packet, send a dollar to Box 11435, Philadelphia 11. Read about the all-out Communist drive behind the Civil Rights Act and the drive to establish a police state in America. Send your dollar donation now to Box 11435, Philadelphia 11. LET FREEDOM RING.

August 1, 1964

Let Freedom Ring. From the "Manchester Union Leader," a northern newspaper, we quote: "While prominent politicians are falling all over themselves trying to win the Negro vote, which at best represents only one-tenth of the population, they are forgetting about the nine-tenths of the population who are white, who are simply fed up to the gills with all this nonsense." The lawlessness has gone farther than most Americans realize because the press is hiding the facts. One fact that the press is carefully avoided, is that the Communist and their newspaper, "The Worker," have gone all out for Civil Rights Act. Another fact ignored by the press is that the Communist-lining National Council of Churches is openly promoting bloodshed through armed revolution by Negroes. There is documented proof that Negroes are being armed for open revolution this summer. The Communist, working through their errand boys in Congress and the White House, are working feverishly to have passed a bill that will outlaw the ownership of guns by private citizens, while at the same time they are urging armed rebellion by Negroes. These carefully-coordinated drives are aimed at simultaneously disarming the American people and overwhelming

LET FREEDOM RING

them through Communist-controlled revolts. We urge our listeners to send a dollar donation to Box 11435, Philadelphia 11, for our civil rights packet. And we also urge our listeners to purchase a rifle or pistol for home defense. We are not, we repeat, we are not promoting insurrection, as does the National Council of Churches. We are merely urging you to exercise your Constitutional and God-given right to protect yourself and your loved ones. President JOHNSON has jumped into the civil rights controversy with both feet. For our opinion of Mr. JOHNSON, we refer you to the Bible; we suggest that you read Proverbs 27, Verse 17, and call tomorrow to hear direct quotes from our civil rights packet, quotes from one of the top Negro Communists in the United States. For your complete packet, send one dollar to Box 11435, Philadelphia 11. LET FREEDOM RING.

Let Freedom Ring. Almost from the start of the recent Harlem riots, a gang of from 200 young toughs, mostly Negroes, but with a scattering of whites, descended on two streets in the West Eighties between Broadway and Columbus Avenue. They came in about fifty cars, most of them from out of town, and camped there for the duration of the turbulent week. These men set up command posts from which they moved on to the racial battlegrounds in Harlem and Brooklyn. They returned to the cars to change clothes, get some sleep and food, drink, and nurse their wounds. Despite police surveillance, almost from the start, some of the strange cars with their apparently violently bent occupants are still there. A nearby store was commandeered as a form for strategy meetings. Police who infiltrated the meetings said the conspirators were heard making plans for participation in the Rochester troubles and for nuisance and violence demonstrations at the upcoming Democratic National Convention at Atlantic City later this month. Police say that the campers were part of a hard core

LET FREEDOM RING

of troublemakers who have traveled around to racially tense areas, taking advantage of and provoking riots. The troublemakers may be part of a group known to New York police as the "white shirters." This integrated group of toughs in their late teens and early twenties have left their violent mark on racial hotspots all over New York. They reportedly tried to blow up a Brooklyn construction job. Anarchists of a particularly vicious type, they are believed to have an arsenal of weapons. The "white shirters" were spotted in the forefront of the Harlem rioting and at the race rallies that precipitated the rioting. At least one white shirtier was seen in the Rochester riots. There have been repeated warnings from J. EDGAR HOOVER, Congressmen, and others in the position to know, that Communists are in complete control of the civil rights movement in this country. For documented proof of this send for a fact filled civil rights packet. Send one dollar to CIVIL RIGHTS, Box 11435, Philadelphia 11, and call tomorrow for another civil rights message. LET FREEDOM RING.

August 4, 1964

Let Freedom Ring. Let's take a close look at a typical civil rights leader, ~~MAYARD~~ RUSTIN, by name. In a Senate speech last year, Senator STROM THURMOND revealed that RUSTIN had a long string of jail sentences for an equally long variety of offenses, including at least one arrest and conviction for sexual perversion and a subsequent arrest for vagrancy and lewdness in Pasadena, California. RUSTIN attended Cheney College in Pennsylvania. He skipped out of Cheney, owing a full year's tuition that has never been paid. While at City College of New York in 1936, he joined the Young Communist League. He was incarcerated in a Federal Prison for twenty-eight months during World War II on charges of draft dodging. He was arrested several times for making speeches advocating resistance to the war effort. RUSTIN recently was in a Communist front group called The American Forum For A Socialist Education. To be added to his list of activities,

LET FREEDOM RING

RUSTIN was an officer of the following leftist or front organizations: The World Peace Brigade; Liberation Magazine; The Second General Strike For Peace; The Greenwich Village Peace Center; The Committee For Non-Violent Action; The Monroe, North Carolina, Defense Committee; The Committee To Defend Martin Luther King, Jr.; The Medical Aid To Cuba Committee; he also attended the Communist Party 16th Annual Convention in 1957. Is BAYARD RUSTIN a Communist? What do you think? Like the vast majority of so-called civil rights, so-called leaders, RUSTIN's complete affinity for extreme leftist and Communist-sponsored causes leaves little room for doubt. For our completely documented civil rights packet, send \$1.00 to Box 11435, Philadelphia 11. Call tomorrow for another civil rights message, LET FREEDOM RING.

Let Freedom Ring. Here are some astonishing facts about Communist influence in the civil rights movement from Congressman JOHN LUCE LOVE: "The much-publicized civil rights movement in the United States has been a main and much-perforated Communist target since 1920. On July 29, 1963, Representative _____ presented in the Congressional record information from the files of the House Committee on Un-American Activities relating to fifty-nine of the officers, members of the Board of Directors, legal, health, and other committees of the NAACP, as well as to certain members of the organization's staff. Between them these individuals have been associated with more than 450 Communist fronts cited as such by official Government sources. ROY WILKINS, Executive Secretary, has seven citations. _____ (phonetic) _____ of the AFL-CIO Sleeping Car Porters, _____ of the August 28, 1963, March On Washington, and _____ of the NAACP 1961, has twenty citations. JOHN H. HOLMES, National Vice-President 1954 to 1961, has thirty citations, and so on down the line. A key organization in the civil rights

The [redacted] of this organization, [redacted] (phonetic), is also the [redacted] of the Southern Conference Educational Fund. Both the House and Senate Committee have identified this outfit as a major Communist organ in the South. The Secretary for this Commie front is CARL GREEN (phonetic), an ex-con and identified Communist. KING is trying to live down a picture of himself which was taken at the Hounder Voo/Folk (phonetic) School in Tennessee. This was, "The Tennessee Legislature," a meeting place for known Communists and "fellow travelers." For a completely documented civil rights packet send \$1.00 to Box 11435, Philadelphia 11. Let Freedom Ring. Senator JACOB JAVITZ, of New York, has announced that he cannot support BARRY GOLDWATER for the Presidency. With a background like "Mainstream" for JACOB JAVITZ, this should not be a surprise to anyone. JACOB JAVITZ is a 100% pro-Communist, America last and only worker. He ran as a Republican for Congress from the 21st District in New York. This was illegal because not only was he a registered Democrat, but he didn't live in the area from which he ran.

JAVITZ's brother has sponsored Communist fronts, and Senator JAVITZ has had many associations with notorious Communists and Communist sympathizers, such as FREDERICK VANDEBILT FIELD, and [redacted] who used her home to entertain Communist agents.

[redacted] (phonetic) has testified before the Congressional Committee that she was instructed by

LET FREEDOM RING

the Communist Party to get JAVITZ into the Republican Party and to get him elected. JAVITZ received the all-out support of the Communist Party and thus a new self-proclaimed moderate Republican was born. With a record like this, can you picture JACOB JAVITZ hitting the campaign trail for BARRY GOLDWATER?

Mr. JAVITZ appears unhappy with the new Republican Party. We suggest that he proceed to the United Nations Building, sit by the Meditations Dome, and reappraise his situation. Now, honestly Mr. JAVITZ, wouldn't you be much more happy in a party whose mainstream flows to the left? We think so.

To BARRY GOLDWATER, we quote from Demosthenes, the great Greek patriot, when he said: "You must realize that you will never succeed in defeating the enemy outside the city walls as long as you do not vanquish those persons in the city who stretch out their hands to the enemy."

Hear the Republican Vice-Presidential Candidate Rep. WILLIAM MILLER speak out on the issues at the Marriott Motor Hut Hotel, City Line and Monument Avenues, this Friday at 8:00 O'clock. And call tomorrow for an entirely new message. LET FREEDOM RING.

Let Freedom Ring. Let's take a close look at ADLAI STEVENSON, the one-worlder who represents this country at the U.N. As Governor of Illinois, he helped defeat a bill which would have outlawed the flying of the U.N. flag over public buildings in Illinois. He changed the state laws to make it the first state in the U.S. to allow persons over 21 to engage in voluntary homosexual relationships without violating any law. He was a Director of (HULL) HOUSE run by [redacted] the radical pro-Communist. She was a heavy stockholder in the Russian-American development corporation along with

LET FREEDOM RING

[] SYDNEY HILLMAN, and [] He was also a Director of a radical outfit, The Immigrants' Protective League, which helped legal aliens remain in this country. STEVENSON was certainly aware of the nature of this Commie-run institute of Pacific Relations, yet he was a dues-paying member. Some of his friends in this organization were exposed later as Communists and Soviet agents.

b6
b7C

ADLAI is also a member of the Council on Foreign Relations, as was his friend, ALGER HISS, until his exposure as a Soviet espionage agent.

Strenuously opposed to our resumption of nuclear testing were ADLAI STEVENSON, [] ARTHUR SCHLESINGER, JR., and [] (phonetic), each of whom has a file with our Intelligence Services indicating they are clear-cut security risks.

He is a founder of the extremely left-wing Americans For Democratic Action. This group staffed KENNEDY's New Frontier with many of its members. Honorary President of the A.D.A. and one of its leading figures was Mrs. ELEANOR ROOSEVELT, who was STEVENSON's very good friend and supporter. In spite of the efforts of the fanatical admirers to glorify her, she must be more honestly described as a notorious Communist fronter with 112 affiliations.

Hear the Republican Vice-Presidential Candidate, Representative WILLIAM MILLER speak out on the issues at the Marriott Motor Hotel, City Line and Monument Avenues, tonight at 8:00 p.m. Call tomorrow for another message about an important "American." LET FREEDOM RING.

August 8, 1964

Let Freedom Ring. Let's continue our close look at famous "Americans" today. DEAN RUSK - DAVID DEAN RUSK, present American Secretary of State, has, himself,

LET FREEDOM RING

been considered to be a security risk. He was first investigated by the State Department in January 1946. The FBI conducted a full-field investigation on him in 1948. It was not until January 12th, 1949, that it was finally able to secure a "clearance" by a "Loyalty Security Board." During the first two years after he was appointed Secretary of State on January 21st, 1961, RUSK waged security checks on over 150 new people coming into the State Department with the New Frontier. The FBI reports clearly show them to be security risks, but RUSK overruled the State Department's own security staff when he refused to clear them based on the FBI reports and additional information.

In the 1930's, he was a member of the Institute of Pacific Relations, the breeding ground of so many of our present leftwingers. During his career in the Army, he was assigned to the staff of [redacted]

[redacted] On the staff with him were [redacted]

[redacted] and [redacted] All four were State Department personnel and all were security risks. All became close associates of RUSK. They, together with RUSK, were pro-Chinese Communists and they agreed with RUSK's recommendation that the U.S. arm one-million Chinese Communists. There was DEAN RUSK, who formulated and had approved a no-win policy in Korea. It was DEAN RUSK, finally, who had recommended the dismissal of GENERAL DOUGLAS MAC ARTHUR, when he insisted on winning the war in Korea. In fact, it was DEAN RUSK who wrote out the dismissal order for the President to sign. Many thousands of U.S. boys killed in Korea would be alive today, but for DEAN RUSK.

August 9, 1964

Let Freedom Ring. Here is another capsule commentary on an "American." Let's look at DWIGHT DAVID EISENHOWER. Former President EISENHOWER has received some unfavorable publicity recently. If the American people knew the real EISENHOWER, they would not be surprised to hear that he was an incompetent General, and that he did everything he could to keep anti-Communist BARRY GOLDWATER, or any other real anti-Communist, from getting the Republican Presidential nomination. Contrary to what you read in the press, EISENHOWER will continue to bend every effort to stop GOLDWATER.

DWIGHT DAVID EISENHOWER is one of the greatest phonies ever put over on the American people. The people elected EISENHOWER in revulsion against the TRUMAN scandals and the exposures of traitors such as ALGER HISS. But while the people slept and left everything to the grinning IKE, the EISENHOWER Administration helped the Communists gobble up vast quantities of the world, including Cuba, and blocked every sincere effort of patriots to clean the Communists out of the American Government.

EISENHOWER took a personal part in the destruction of Senator JOSEPH MC CARTHY. He put the pro-Communist today EARL WARREN on the Supreme Court. He looked the other way when the Hungarian Freedom Fighters appealed for help and he assured Russia that he would not intervene. Few Americans know that EISENHOWER was the Presidential choice of ELEANOR ROOSEVELT, CLAUDE PEPPER, and other left-wing radicals. Even fewer know that EISENHOWER's book, "Crusade in Europe," was ghost-written by identified Communist Agent JOSEPH FELS BARNES.

His peace without honor in Korea abandoned at least 400 American soldiers to rot, forgotten in Chinese Communist prison camps. They are still there.

LET FREEDOM RING

EISENHOWER's Korean truce made even more concessions than TRUMAN had offered. In 1948, IKE was backed by left-wing Americans for Democratic Action for the Democratic Presidential nomination. Many so-called liberals moved into the Republican Party in 1952 to stop TAFT and nominate IKE.

Call tomorrow for an interesting and frank biography of another radical left-winger - LET FREEDOM RING.

August 10, 1964

Let Freedom Ring. Here is another in our series on not-so American Americans. Today, President LYNDON JOHNSON. In 1948, the then-Representative LYNDON JOHNSON was making a desperate showing for a vacant Senate seat. He was the favored candidate for the Democratic nomination, favored by nearly everyone - except the voters, that is. Out of a nine-man primary election, he limped in 71,000 votes behind the winner, COKE STEVENSON (phonetic). In the run-off between LBJ and STEVENSON, grave matters were brought to light. There were many indications that the election wasn't on the up and up, to put it mildly. For instance, let us take a certain precinct in [redacted] (phonetic) county. Out of the 600 ballots issued to local election officials, the final count was JOHNSON 765 - STEVENSON 60. But a double miracle occurred when the statewide tally showed that STEVENSON had carried the state by 113 votes. It became necessary to recanvass the precinct. Of the 600 ballots issued, the corrected total read, JOHNSON 967 - STEVENSON 61. The statewide tally now gave JOHNSON an 87-vote margin and victory.

Upon investigation it was found the JOHNSON forces had added hundreds of names to the voting list; names of people whose permanent residence was the county cemetery. Facing appearance before a Texas

b6
b7c

LET FREEDOM RING

court, which was investigating the voting fix, JOHNSON high-tailed it for Washington. His lawyers got an unprecedented hearing before Supreme Court Justice HUGO BLACK, even though the case was still active in the lower courts. BLACK didn't even wait for the other eight members of the court to show up, but gave a decision of one in favor of JOHNSON. By 87 spirited votes, the runner-up won a Senatorial nomination and clinched the election. A quiet rear guard action was fought by the Senate Rules Committee and Senator JENNER, but the Senate investigators found that both ballots and records had been destroyed - all before the 60-day period required by law.

Call tomorrow for another in this series of messages.
LET FREEDOM RING.

August 11, 1964

Let Freedom Ring. Examination of not-so American Americans by taking a look at EARL WARREN, Chief Justice of the Supreme Court. After his appointment in the first eight cases involving Communism in which he participated, he supported the Communist position five times; the Government's case on three occasions. After that, WARREN supported the Communist position in sixty-two cases without deviation. In the three-year 1956-1958 period, the Supreme Court decided fifty-two cases involving Communism and subversion in Government. The decision supported the Communist position forty-one times; the anti-Communist position only eleven times. WARREN's consistent pro-Communist votes were the deciding factor in the many narrow five to four decisions.

Under WARREN's leadership, the court voided the long-standing Sedition Laws of forty-two states, and the Communists convicted under them were freed. The Government was denied the right to fire Federal employees who were proved to have contributed money and services to Communist causes.

LET FREEDOM RING

The decisions of the WARREN-dominated Court have shocked all knowledgeable Americans. The conferences of State Chief Justices, the highest Judicial officials on a state level approved a strong condemnation of the Supreme Court by better than a four to one vote. The appointment of a commission to investigate the assassination of President KENNEDY was suggested in the November 26, 1963, issue of the official Communist newspaper, "The Worker." "The Worker" called for WARREN to head the group. Three days later, President JOHNSON appointed the commission headed by WARREN. It is so loaded with Liberals as to build suspicion of a planned coverup of the Communist involvement in the killing. Is it any wonder that responsible Americans are calling for the impeachment of EARL WARREN, so that he must answer to the people for his management of the Supreme Court?

For copies of this entire week's script, send 25¢ to Expose, Box 11435, Philadelphia 11, and call tomorrow for the last in this series of messages. Let Freedom Ring.

August 12, 1964

Let Freedom Ring.- Here is the last of our seven-part study of not-so American Americans. Here is a candid biography of FRANKLIN DELANO ROOSEVELT, husband of ELEANOR, who herself possesses one-hundred-twelve Communist citations, for lining with the Communists or Communist front groups. As a starter, ROOSEVELT told MARTIN DIES, past Chairman of the House Committee on Un-American Activities, that: "Some of my best friends are Communists." ROOSEVELT wasn't kidding; some of his best friends were later found to be not only American Communists, but Soviet espionage agents as well. Among the President's own advisors serving double duty for the Kremlin were ALGER HISS, [REDACTED] HARRY

b6
b7C

LET FREEDOM RING

HOPKINS. HARRY DEXTER WHITE, OWEN LATTIMORE, [REDACTED]
[REDACTED] NATHAN WITT, AND LEE PRESSMAN.

It was ROOSEVELT's recognition of Russia in 1933, when the eleven billion dollars in foreign aid given away to the Reds, that saved them when their government faced total collapse. Press agents built ROOSEVELT and the New Deal as saviors; such is not the case. In fact, in the first two ROOSEVELT Administrations, average unemployment was almost ten million each year. Under Former President HOOVER, unemployment averaged only 6.2 million annually. Despite appropriations of billions for relief purposes, other billions to make work schemes, and a transfer to the Federal Government, almost complete control of the nation's economy, things got worse and not better under ROOSEVELT. The advent of World War II and not the New Deal and Government intervention ended the depression. It was ROOSEVELT who pushed us over the brink and World War II by setting up Pearl Harbor for attack and actually provoking Japan into attacking by cutting off vital oil shipments. Once in the war, it was ROOSEVELT who went all out to help JOE STALIN communize Europe with concessions at Potsdam, Tehran, and Yalta. Call tomorrow for a start of a new series of messages. Let Freedom Ring, Thursday, 8/6/64

Senator JACOB JAVITZ of New York has announced that he can not support BARRY GOLDWATER for the Presidency. With a background like ~~the~~ Mainstream for JACOB JAVITZ this should not be a surprise to anyone. JACOB JAVITZ is a 100% pro-Communist, America last and only worker. He ran as a Republican for Congress from the 21st District in New York. This was illegal because not only was he a registered Democrat but he didn't live in the area from which he ran.

JAVITZ's brother has sponsored Communist fronts and Senator JAVITZ has had many associations with notorious Communists and Communist sympathizers such as FREDERICK VANDEBILT FIELD and [REDACTED] who used her home to entertain Communist agents.

b6
b7C

[REDACTED] (phonetic) has testified before the Congressional Committee that she was instructed by the Communist Party to get JAVITZ into the Republican Party and to get him elected. JAVITZ received the all out support of the Communist Party and thus a new self-proclaimed moderate Republican was born. With a record like this can you picture JACOB JAVITZ hitting the campaign trail for BARRY GOLDWATER.

Mr. JAVITZ appears unhappy with the new Republican Party. We suggest that he proceed to the United Nations Building, sit by the Meditations Dome and reappraise his situation. Now honestly Mr. JAVITZ wouldn't you be much more happy in a party whose mainstream flows to the left. We think so.

To BARRY GOLDWATER, we quote from Demosthenes, the great Greek patriot when he said, "You must realize that you

On this date [REDACTED] advised SAC JOE D. JAMIESON that a recorded message was being given by dialing CO 3-6520. The telephone number is [REDACTED]. The message follows:

"Let freedom ring. Although the United States Congress has not authorized our disarmament; this is rapidly taking place illegally. Our bomber fleet is being junked; our military bases are being closed down at home and abroad and Representative Forman of Texas reports that seventeen of our long-range radar stations have been dismantled and shipped to pro-Communist India. Our military forces are becoming demoralized and military resignations by officers were up 100% in 1963, as compared to 1962. We are told by a military officer, who must remain unnamed that our atomic stockpiles are being dumped into the sea on the West Coast of the United States. At the University of Michigan, a plan is being developed for the systematic house to house search of the entire United States for arms of any kind. The search is to be made by the United States Army by blocking off five states at a time beginning in the western part of the country. The entire civilian population is to be completely disarmed by end of 1965. From the Herald of Freedom we quote, 'The plans for the takeover of a country by the Communists provides for the immobilization of the Armed Forces, the demoralization of the police and the disarmament of the populace.' Those who think it can't happen here should remember that every country, including Cuba, had an army and a navy and yet they were taken over with no difficulty. To get the truth the managed news doesn't dare let you know, call CO 3-6520 for a new message each week. Let freedom ring."

Recorded Phone Venom Traced to Birch Society

By SYDNEY P. NEMIROFF
Of The Inquirer Staff

THE telephone number and Fox Chase post office box involved in continuing attacks on America's top political figures have been traced to members of the John Birch Society.

The Inquirer learned Friday the series of recorded messages plaguing Bell Telephone officials and Government investigators also were written and recorded by Birchers.

The tape recordings, available to persons who dial a certain number, have attacked President Johnson, former President Dwight D. Eisenhower and others in the several weeks since the campaign began.

The recordings begin and end with the phrase "Let Freedom Ring."

The attacks follow closely the program set down for local John Birch members by the society's leader, Robert Welch.

A REPORTER learned the special telephone number is listed to Robert Moore, of 301 S. 23d st.

The Post Office box to which callers are directed to send coins for copies of the messages also apparently is rented by Moore, an employee of an advertising agency.

Moore denied the John Birch Society was involved but evaded a question as to whether he was a member.

He said "Let Freedom Ring" is a separate national campaign of a "common law firm" operating out of Sarasota, Fla.

Although Moore said he paid for

both the telephone service and the post office box, it was learned from other sources that Paul D. Corbett, John Birch Society section leader and organizer, actually rented the postal box.

Friday's recording continued the series commending local police forces. It again warned against police review boards as being full of Communists.

The pro-police campaign is part of the national John Birch Society campaign.

As the series of phone messages began some weeks ago, Society members handed out small white cards containing the telephone number to call to passers-by on street corners. They read:

"Let Freedom Ring. Hear the truth the managed news doesn't dare let you know. Different messages every week."

THE small white cards also were reported posted in a number of business establishments in the North east, including a laundromat and luncheonette near Bustleton ave. at the Colony Apartments.

Contrary to the card, however, the messages have been changed almost daily. They appear to be broken into several series.

The first series was subtitled Suppressed Facts. It was allegedly written and recorded by the advertising agency employee. Following that, there was a series on civil rights.

Philadelphia's Commission on Human Relations investigated that series, but like Postal authorities, the FBI and Bell offi-

als reported it was powerless to act.

Larry Groth, supervisor of the commission's Community Relations Division, said the messages apparently could be stopped only by a court injunction on grounds it supplied information that was clearly libelous and constituted a clear and present danger.

"This borders on incitement," Groth said, "but is not a clear and present danger because it doesn't say 'Go buy a gun and shoot.'"

Groth said an unidentified person called the commission recently to report he had tried to learn the telephone number. He supposedly called the Republican City Committee, where the attitude was resentment that anyone would think it had the number.

The caller then said he called the local Goldwater for President headquarters and was immediately given the number.

Groth said he did not feel this was a matter of great concern since "intelligent people wouldn't call and those who do are beyond saving anyway."

Two attempts were made recently to place advertisements in The Inquirer enlisting callers to the "Let Freedom Ring" number and offering a book named "Call It Treason." Both were rejected.

The automatic telephone service, Bell officials said, is available to anyone who pays the charges. The \$60 monthly charge being paid by Moore indicated the message is available on more than one line, since the company said it charges \$25 a month for the first line and lesser amounts for extra lines.

Top Birch Official Denies Sponsoring Telephone Venom

The top John Birch Society official for the northeastern States on Saturday denied the society was responsible for the "Let Freedom Ring" recorded telephone attacks on American leaders and institutions.

The society is "in no way" connected with the Florida organization which is sponsoring the messages, said Thomas

J. Davis, major coordinator of the society's northeastern States and one of six such regional officials throughout the Nation.

Davis said he was not familiar with all the messages recorded on a special telephone number, adding that he did not personally disagree with them.

WHO IS PAYING?

The inquirer asked Davis whether the phone messages were a Birch activity.

No, sir, he answered. He was also asked who was paying for the messages.

I do not know. It is not the John Birch Society. I am very much aware that campaign in New York (against Sen. Jacob K. Javits) is supported by members of the John Birch Society. I assume it is supported by members in Philadelphia. This is not a project of the society, nor was it initiated by it, Davis replied.

FLORIDA HEADQUARTERS

He identified the sponsoring group as an organization called "Let Freedom Ring," with headquarters in Sarasota, Fla., which, he said, had similar operations in cities throughout the United States.

Davis said the Florida organization is in no way connected with the John Birch Society in any way at all. We have had no overtures from the organization that I know of.

The telephone messages have attacked President Johnson, former President Eisenhower, the late President Roosevelt and Mrs. Roosevelt and other ranking public officials. Saturday's message continued a series calling for support of local police and attacking police review boards. The message referred callers to a post office box in Sarasota.

TRIES TO PLACE AD

A Delaware county man, who strictly on my own tried to place an advertisement for the messages in The Inquirer on Friday, which was rejected, also said the society has nothing to do with the messages as far as he knew.

He acknowledged that he was a member of the society, said individuals were supporting the campaign, although they were "not necessarily" Birchers.

Plettner, a native of Virginia who said he once was active in "conservative, right wing causes" there, said he had wanted to insert a \$10 ad. in the personals columns.

He said he was a "private, a recruit" in the John Birch Society and knew other "individuals running the local activity," including Robert Moore, in whose name the telephone number is listed.

NO CONNECTION

He said he had "no connection" with the telephone campaign, but became interested when he read about it in The Inquirer on Friday morning.

"I'm going to give it my official support now," Plettner said. He said he had ordered 1000 bumper stickers printed with "Let Freedom Ring" and the special telephone number and would try to place ads in other newspapers.

NOTHING TO HIDE

"I have nothing to hide," he said. "I am not doing anything subversive, illegal or improper."

Paul D. Corbett, a Birch Society section leader and organizer, also said he knew "nothing about the operation."

He was reported to have rented a post office box for copies of the messages, but on Saturday he denied he had rented the box.

CAMPAIGN DISCLOSED

In a related development, a campaign soliciting membership applications in the Pennsylvania Committee to Support Your Local Police came to light Saturday.

Small cards with spaces for name, address and telephone number have been sent out. One recipient identified the sender—whose name was on the envelope—as Carl R. Wildner. Wildner was asked if the campaign was a Birch Society activity.

"Yes, it is," Wildner said. He referred The Inquirer to Corbett.

America's local police forces are now under a constant and intensive attack from the Communists and their blind followers. The technique of warring against the police and then charging them with brutality when they defend themselves and private property did not start in New York City or Birmingham, Ala. After World War I, the Communists started a tremendous effort to take over the German Republic. The techniques they used were similar to the ones being used in the United States today and the destruction of the police was a prime objective, but the German police, unfettered by police review boards and weak-brained liberals, did their duty and knocked Communist heads together. The Communists and not the police became demoralized and defeated. The police are faced with a vicious enemy armed with everything from bricks to "Molotov cocktails," yet they have been restricted to a futile and ineffective holding operation. They can hardly defend themselves in any circumstances to say nothing of the unarmed and terror stricken citizens. In this atmosphere of planned panic and chaos, the police review board is born. In general, the people who caused the riots are the ones

Here is a look at Philadelphia's notorious Police Advisory Board from a different angle. Not too many Americans know that the scheme for police review boards has been pushed and backed by the red painted/tainted Civil Liberties Union. Informed Americans have been fighting the formation of these boards of terror in cities all over the country and with good reason. The police review board is a super structure of civilians representing political parties who would determine real or imaginary violations of civil rights by police officers. For instance, the police review board proposed for Los Angeles by the American Civil Liberties Union would have the right to offer a bonus or bounty of \$500 out of taxpayers' money for each successful charge against police officers. Remember things like this when you are asked to join or contribute to ACLU. Also remember that the

better than a strong and sovereign United States. Communism has spread like wildfire throughout the world during the lifetime of the United Nations. Did this happen because of the UN or in spite of it? To answer this, let's look back to what the Communists said at the beginning of the UN. They said, "Great popular support and enthusiasm for the United Nations and its policies should be built up, but it is necessary to do more than that. The opposition must be rendered so impotent that it will be unable to gather any significant opposition in the senate against the United Nations and the treaties that will follow." S. and fully 90% of its efforts are on behalf of Communists who have come into difficulty with the law. It claims to stand for free speech, free press, and free assembly, but it is quite apparent that the main function of ACLU is to attempt to protect the Communists in their advocacy of force and violence to overthrow the government, replacing the American Flag by a red flag." The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, by the Committee on Un-American Activities, U. S. House of Representatives, page 21, documents the American Fund for Public Service (Garland Fund) as follows:

"Established in 1922 *** it was a major source for the financing of Communist Party enterprises" such as the Daily Worker and New Masses, official Communist publications, Federated Press, Russian Reconstruction Farms, and International Labor Defense. WILLIAM Z. FOSTER, present chairman, Communist Party, and SCOTT NEARING, a leading writer for the Party, served on the board of directors of the Fund.

Here is Part Three of this week's report on organizations with a commie smell. Today, the National Council of Churches. The House Committee on Un-American Activities has said, "The chairman issued a statement to the effect that the leadership of the National Council of Churches of Christ in the United States of America had hundreds or at least over one hundred affiliations with Communist fronts and causes. Since then we have made careful but incomplete checks, and it is a complete understatement. Thus far, the leadership of the National Council of Churches of Christ in America we have found over 100 persons in leadership capacity with either Communist front records or service to Communist causes. The aggregate affiliations of the leadership instead of being in the hundreds as the chairman first indicated is now, according to our latest count, into the thousands and we are yet to complete our checks, which would certainly suggest, on the basis of the authoritative sources of this committee, that the statement that there is infiltration of fellow travelers in churches and educational institutions is a complete understatement. On April 20, 1960, U. S. Representative DONALD L. JACKSON discussed the National Council's reading list in a speech to the House. Some books on the list contained passages so filthy that Mr. JACKSON, in difference to good taste, refused to put sample passages into the congressional record. He told of a California housewife, who trying to alert other adults, quoted passages from some of the books, but was told by postal officials that the material was too obscene to mail. Over 10% of the books on this list have been written by known Communists. Here is Part Four of this week's report on organizations with the commie smell. Today, the U. S. State Department. There is a list of 847 grave security risks in our State Department. It includes the names of pro-Reds, pinkoes, homosexuals, alcoholics, sex degenerates, and a score of well-behaved, well-disciplined individuals suspected of being professional Communist agents. This vertible who's who of subversives and ineligibles was first compiled by the late SCOTT MC CLOUD (ph). A one time FBI Agent, Mr. MC CLOUD dug up the 847 cases from the State Department's own files with the help of a team of investigators and expert evaluators. At the time Mr. MC CLOUD headed the State Department's Bureau of Security and (Consular) Affairs. Two recent defectors from the Soviet Secret Police have proven MC CLOUD to be true by coming up with the names of traitorous Americans that were on the list nine years ago. Prior to his death, MC CLOUD distributed copies of the list to trusted friends (and) said, someday these pages may be of great importance; someday they may prove that not everyone in the national capitol is asleep; you can decide when they ought to be taken out and shown to the right people. Recently, news of MC CLOUD's list of questionables had been preserved intact was privately circulated on Capitol Hill to members of a few congressional committees. To report that it caused a stir would be a serious understatement. Apparently those people presently in possession of the list don't feel that the time is ripe to make it public or that the right people will be able to do anything about it. Apparently those people in possession of the list don't feel that the people in the KENNEDY-JOHNSON Administration are the right people. We are included to agree with them. Here is Part Six of this week's report on organizations with the commie smell. Today, the Americans For Democratic Action. The Americans for Democratic Action or ADA was founded in '47 by way-out liberals. Its political platform advocates Red China's admission to the United Nations, transfer of all national armaments to UN Peace Force, elimination of barriers on trade with Communist countries and the hands off policy toward Cuba. The domestic goals toward ADA include total state control of the economic life of the nation through application of the theories of the British Socialist Communist [redacted] An inter-loyalty check of federal employees, elimination of loyalty oaths for students on government scholarships, and to halt the congressional investigations of Communist activities are other goals of the ADA. Socialist controls of the Washington bureaucracy is now more openly acknowledged than ever. Few Americans seem repelled by Socialism. Even JOHN KENNEDY was affected. In 1953, as a senator, KENNEDY said "I'm not a liberal at all. I never joined the Americans for Democratic Action. I'm not comfortable with these people." Not many Americans are comfortable with the idea of the political along with the social apparatus. But as President, JOHN KENNEDY appointed forty members of this political underworld to high government posts. President JOHNSON continued them in their high posts. In 1948, EISENHOWER and the open ultra-liberal Supreme Court Justice, WILLIAM O. DOUGLAS, had been the ADA choices for the democratic nomination. By the way, President JOHNSON's vice-presidential running-mate, HUBERT HUMPHREY, is in the ADA. Here is the last part of this week's report on organizations with the commie smell. Today, it is the Central Intelligence Agency or CIA. Top Soviet Secret Police defectors have described the Red penetration of our State Department and CIA. Congressman MICHAEL FEEHAN quotes one defector, [redacted] (ph) as saying that when he went to be debriefed by our CIA officials, he said, "One of my own agents sitting in front of me." President JOHNSON and DEAN RUSK are trying to sweep that fact under the carpet for fear of another ALGER HISS scandal during an election year. For reasons why the Bay of Pigs invasion failed, think about this fact: Weapons and ammunition were supplied to the underground in Cuba by the CIA in such a way to insure that they could never be used. "Some guerilla groups were supplied with 30-06 caliber ammunition and grease guns which fired 45 caliber bullets. In other areas, the CIA supplied 45 caliber ammunition to accompany Browning Automatic Rifles which shoot 30-06 caliber bullets." The CIA has shown little interest in effectively beating any genuine anti-Communists and few anti-Communists have any use for the CIA. Planned coordination of an underground uprising with the Bay of Pigs invasion was so mismanaged to indicate total (???) sabotage. The CIA let young men, some with less than a week of training, go to the Bay of Pigs, and the cream of the Cubans in exile were delivered to CASTRO. Senator GOLDWATER has said that extremism in the defense of liberty is no vice. Moderation in the pursuit of justice is no virtue. With this statement, the Communist press, the [redacted], the so-called liberal press, became completely unglued.

[redacted] screeched that GOLDWATER was a new HITLER. Governor BROWN of California moaned about fascists being in the air, and the Communist newspaper, The Worker, agreed with him. The "New York Times," not to be outdone, said that the nomination of BARRY GOLDWATER is a threat to the country. And they went on to imply that the election of BARRY GOLDWATER would mean the end of the world. Just how extremist can you get? And speaking of extremism, where are the extremists today? Aligned openly behind LYNDON JOHNSON are the Communist front core, the Communist line NAACP, the "New York Times" and even the Communist Party itself. In the Communist Worker of June 23, 1963, GUS HALL, head of the Communist Party, USA, endorsed the Democratic Party for re-election in 1964. Yet, at the Republican Convention, Mr. HALL called for a united front to defeat Mr. GOLDWATER. The Economic Council on August 1, 1964, said, "We shall seek for November the greatest propaganda battle ever staged in this country." Conservists have generally refused to believe in the importance in the battle of words, but they had better learn fast. The book "While You Slept" explained this graphically how the personal entertainment media have been brainwashing you for the past thirty years. After reading this book by JOHN T. FLYNN, your newspaper will have a pink hue you probably never noticed before. For a copy of this revealing book, send your dollar donation to "While You Slept," Box 954, Phila. 5. Now hear the words of General DOUGLAS MAC ARTHUR. "Taxes have grown so rapidly in recent years that they are the largest single item in the cost of living. Americans pay more for government than they spend on food, clothing, medical care, and religious activities combined. The government takes in taxes over a third of the income of the average citizen. He or she is required to work entirely for the government from January 1 until May 10th. Our tax take is greater than that of the national socialist countries whether on this or the other side of the Iron Curtain. The effects may not yet be fully evident to the superficial eye but the erosion of incentive, ingenuity, and integrity of the results will be as deadly as the hidden cancer is to life. Our swollen budgets constantly have been misrepresented to the public. Our government has kept us in a perpetual state of fear with a cry of grave emergency. Always there has been some terrible evil at home, or some monstrous foreign power that was going to gobble us up if we did not blindly rally behind it by furnishing the exorbitant funds demanded. In retrospect, these disasters seem never to have happened, seem never to have been quite real. Another of the great illusions is that government gives the people free much of what they get from its services. I am convinced that the average citizen has no idea who pays for big government and how much. The painful truth is this - the government produces nothing of itself. Whatever it spends for people it must previously take from the people in the form of taxes."

Hear the words of Senator STROM THURMOND. "Our people must understand that our fears must be reserved for so-called card-carrying Communists alone. There are few such any more. There are others in this country who believe in essentially the same ends as do the Communists; they are Socialists who (look/work) toward an international socialist order just as the Communists do, except by an evolutionary rather than a revolutionary approach. They join with Communists in discouraging the inculcation of patriotism, (for) patriotism is a form of nationalism, which impedes the establishment of world socialism. Since 1951 the Soviets have streamlined their foreign agents and sympathizers. The job of a Communist Party member or sympathizer in a policy control position is to hold a sensitive post in order to influence policy in favor of the Communists. In order to recognize the ideas being (foisted) upon us we must examine those concepts which the Communists (would?) feed us. These ideas are systematically fed into our official analyses and policy statements. This psychological warfare against us can only be effective so long as the American people are without a real understanding of the total nature of Communism and its methods of operation. It is no surprise, therefore, that when anti-Communist educational activities began to flourish and show signs of catching on around the country, the Communists would commence an all-out counterattack. This has now reached a crescendo in the form of anti-anti-Communism designed to stamp out

They are the hate mongers and the false liberals who would subvert our constitution and undermine our democratic processes in furtherance of their selfish ends. They are the Communists and other subversive elements who wave false banners of legitimacy and patriotism while relentlessly plotting to destroy our heritage of freedom. We cannot defeat Communism with Socialism, nor with secularism, nor with passivism, nor with appeasement nor accommodation. We can only defeat Communism with true Americanism. Never a day passes that I do not receive reliable reports on Communists' activities in many different parts of the nation. Almost no field of our society is immune to them. Only the intelligent efforts of all Americans can prevent the decay of public apathy from laying open our nation to the Red menace. FBI experience is that official personnel form the backbone of Soviet bloc espionage in the United States. type of intelligence assignment. As of November 1st, 1963, there were 484 Soviet officials stationed in the United States. But it is warfare, not a series of public relations campaigns. Its primary purpose is to discredit its opponents and neutralize, if not displace them with methods that abound predominantly in deception. Its primary object, which wears the mask of co-existence and mutual understanding, is to utterly destroy competing political and economic concepts, and reduce the peoples living under these concepts to vassalage or complete impotence. Foreign aid, cultural exchanges, and technical assistance may be activities related to political warfare. But, they do not of themselves depreciate the power of an ideological enemy. We have yet to agree among ourselves, and with our allies, to reach a simple definition. Communism is the enemy. We employ its agents in the teaching professions, allowing them to work on the fertile minds of youth seeking a champion to pit against the scapegoat. They infest

our entertainment media. They long ago have infiltrated our government so that a scheme of subversion can be traced through three decades. Even our free press is exploited by Communist propagandas. Communist collaborators find rabid and militant defense amongst certain groups of our citizens, some of whom are sincerely confused and misguided. Governments which oppose the leaders of these groups and their purposes often are branded reactionary. In other nations of our hemisphere we have seen these groups seize absolute power. But minority groups, after they are organized and told that they are different from other Americans, cannot see this simple truth because they are blinded by selfish interests and constant play of their prejudices. The programs of these minorities differ depending upon special interest. The several important respects they all agree. They believe and advocate that their programs can only be realized through the intervention of the Federal Government. They attach little or no importance to the American principles of states' rights and local sovereignty. In fact, they regard the advocates of

-20-

these constitutional principles as reactionaries. The sum effect of all these programs is monstrous dictatorship and the final destruction of the American system. These programs are steadily and inexorably creating the conditions which will leave the people with no alternative except to accept dictatorship. This was the fate of the Greek city republics and the Roman republic. To concerned Americans the odds in favor of upsetting the liberal front may appear insurmountable. We must not forget that the patriots of 1775 must have felt the same way at times. But in the end they won our freedom and our constitution. Americans can triumph despite the heavy odds against them if they will organize in every community and dedicate themselves to the rescue of the republic from the self-seeking hands of the liberal front. They must subordinate their minor differences and every vestige of rivalry to build an honest and anti-Communist conservative front in the United States."

We have lost the brisk pace of diversity and the genius of individual creativity. cities, is the mounting concern, or should be, of every thoughtful citizen in the United States. Security from domestic violence, no less than from foreign aggression, is the most elementary and fundamental purpose of any government. And the government which cannot fulfill this purpose is one that cannot long command the loyalty of its citizens. History shows us, it demonstrates that nothing - nothing prepares the way for tyranny more than the failure of public officials to keep the streets safe from bullets and marauders. Those that seek to live your lives for you, to take your liberties in return for relieving you of your responsibilities, those who elevate the state and downgrade the citizen, must seek ultimately a world in which earthly power can be substituted for divine will. And this nation was founded upon the rejection of that notion and upon the acceptance of God as the author of freedom. Absolute power does corrupt and those who seek it must be suspect and must be opposed. Their mistaken course stems from false notions of equality. Equality, rightly understood, as our founding fathers understood it, leads to liberty and to emancipation of creative differences. Wrongly understood, as it has been so tragically in our times, leads first to conformity and then to despotism."

Hear the words of ROBERT WELCH, "When an individual American or any other human being sees himself no longer responsible to a divine being, but is merely a living accident, not connected in any way with cosmological purpose, it becomes easier for him to make his decisions about his own life and actions, entirely on the basis of his temporal comforts and the earthly desires of his own personality. Amoral men, the products of a materialistic and sophomoric disillusionment who have not gone on in their thinking to deeper more permanent truths, now stalk in our midst in greater numbers than ever before in our history. Such men are among the Communists and they are plentiful and highly placed and have no real dedication even to Communism. They regard it merely as an expedient means to satisfy their personal ambitions more nearly than to any other star to which they might hitch their wagons. Among the millions who are or either pretend to be non-Communist, the amoral man who has not the slightest inner concern with either right or wrong is one of the greatest causes of our constant retreat, and one of the greatest dangers to our survival and he doesn't wear any label. He usually lives up to the appearance of excellent morals because it is expedient to his purposes. As important and absolutely vital as our stopping the Communists has become and as much as our loss of moral fiber has now deliberately made more rabid and more damaging by the Communist, for the present and future purposes, even throwing the Communists entirely out of the picture would not stop the fatal deterioration of our sense of values that is now in process. Besides, the short term job of eliminating the communist danger we have the equally important, longer range job, of ending this mass psychological flight towards immorality and of restoring convincing reasons of men once again to strive to live up to moral and humanitarian ideals."

What is a warmonger? A warmonger is one who sells the idea of war. He may be selling the idea of war for personal profit, for love of adventure and killing, or the only means left to save his country and his family from the living death of slavery. Americans have been subjected to intensive brainwashing on the subject of warmongering. Paradoxically, they have been sold on war in the jungles of Asia, and young Americans are dying there almost daily. Yet, anyone who suggests that we go to war with Russia by attacking their American beachhead - Cuba - is called a warmonger. It seems to depend on which war one is mongering for or against. War against Russia or Cuba is considered dangerous. War against our domestic Communists is considered a danger to civil liberties. But war against a faceless and elusive enemy in Vietnam is considered chaste unless, of course, you happen to be on the front lines or flying in an antiquated and wing-flapping B-26. LYNDON and HUBERT will undoubtedly get the yellow vote, the red vote and some of the black and white vote, but courageous Americans, both black and white, both of whom are not yellow, will agree with ZENOPHON (ph), the Greek patriot who said, "The people whose aim it is to keep alive usually find a wretched and dishonorable death, while the people who, realizing that death is the common lot of all men, make it their endeavor to die with honor, somehow seem more often to reach old age and to have a happier life when they are alive." An intensive propaganda effect is being made by the Communists and various nervous Nellies to label anyone wanting to stand up to the Communist enemy at home or abroad as a warmonger. The greatest danger to American security today is not the so-called warmonger but the peace-at-any-prices who will take and (insult to ?) America to keep peace with the _____, our vicious and determined enemies. Those who consider war unthinkable are unthinking individuals and often they are cowards as well. As Plato said, "Only the dead have seen the end of war." Atomic war like any war would be a terrible thing but a city totally destroyed by fire bombs, such as Dresden, Germany, in World War II is no different than a city totally destroyed by one atomic bomb. In Hiroshima thousands of women and children died instantly. In Dresden, they burned to death, but the people were just as dead in either case. Patrick Henry said give me liberty or give me death. Was Patrick Henry a warmonger? Yes, he was. He was selling the idea of war, if necessary, to gain a nation free of oppressive taxation and other forms of tyranny. Is Let Freedom Ring guilty of warmongering? When war is necessary for a country's survival and it is certainly long overdue and necessary in regard to Cuba. We plead guilty. The Swiss philosopher Ladtare (ph) said, "Strange that cowards cannot see that the greatest safety lies in dauntless courage." One book can change the history of the world. It has happened before and it is happening again. If you are wondering why one of your formerly complacent friends now has a gleam in his eye, it is because he has just finished reading "One Day/Nunday, A Call of Treason," by JOHN STOREMA (ph). "One Day/Nunday, A Call of Treason" is published by an obscure publisher and it has had little formal advertising. Although ignored by the mass book review media, "One Day/Nunday, A Call of Treason" has sold over 8 million copies and sales show no sign of tapering off. This story is unprecedented in modern publishing history. This remarkable book lays out clearly and simply the awful story of treason in American government. If you do not read this book, you simply will not be in the know and you will not be part of the tremendous awakening and intellectual revolution taking place around you. We suggest that you lay aside Time magazine, the New York Times, and other works of fiction long enough to read the book that slams down the gauntlet to American traders and Communist dupes. LAWIS HUDENZ, former editor of the Communist Worker, has said, "Son, all that you see is just the periscope of the submarine." Get the book that brings the whole submerged Communist influence in America to the surface; "One Day/Nunday, A Call of Treason." There is a tremendous floodtide of patriotism sweeping the country and the Communists know this. They tried to stop this floodtide by assassinating President KENNEDY and blaming it on American patriots, but this fell flat when Communist OSWALD was caught. There is mounting evidence that the tide is turning in our favor. The great anti-Communist book "None Dare Call It Treason" has sold over eight million copies although given the silent treatment by the press. The people have rejected socialized farming and socialized medicine. They are disgusted with our continued retreat from a showdown with the Russian bolshevik criminals and the protection of traitors in high places. The Communist slogan "peace at any price" has been rejected by red-blooded Americans. The cry is now Liberty at any price. The American people are sick of rotteness, deceit, and cowardice of the JOHNSONS, the EISENHOWERS, and JAVITZs. The Communists know that we are going to assert any means within the framework of our beloved constitution and law and order to put America back on the path of glory, honor, and self-respect. But the Communists are not going to take this resurgence of patriotism lying down and they can be expected to bring off a big one soon to stop the anti-Communist movement. What will they do? We do not pretend to know, but we do know that Americans are facing a period of great trial, a trial that will test the American character to its utmost. This is not just idle speculation, remember President KENNEDY was executed by a proven Communist less than a year ago. They are desperate to perpetuate in office the appeasers in both parties and they will stop at nothing. Will the American

An open letter to the Tennessee Valley. Senator GOLDWATER's idea to sell TVA to private enterprise has stirred up a lot of resentment in your valley, but before you jump to conclusions consider a way by which you can capitalize on (his) suggestion, and increase your own take-home pay by hundreds of dollars a year. Here's how. (The liberty - ph) amendment will require the federal government to give up all economic enterprises not specifically in the constitution. This means TVA would be transferred to private enterprise. But it would also mean an end to foreign aid, farm subsidies, and hundreds of other pork barrel projects that cost billions. In fact, the liberty amendment will cut the budget enough to repeal the personal income tax. Imagine a life without income tax. Because TVA is exempt from paying most taxes, your electricity bill is slightly lower than ours, but wouldn't you be willing to add a few pennies a month to your power bill if it meant having your income tax money to spend as you see fit? This can mean several hundred or several thousands of additional dollars each year to spend on things you need and want. You can buy your own business, own a farm, provide for your children's education, trade for a new car every year - whatever you want to do with your own money. But to get it you have to be willing to give up your small electricity subsidy. Isn't it worth it? You stand to gain so much by trading your subsidy for your income tax. The amendment(s) has already been approved by seven states and the rest of the country is ripe to begin promoting it in earnest. So if you are ready and willing to unleash prosperity, create new jobs for all who want them, and have your income tax money to spend as you see fit, then get busy and make your state the (aid/agent?) to approve the liberty amendment. EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications", revised and published as of December 1, 1961, by the Committee on Un-American Activities, U. S. House of Representatives, documents the Emergency Civil Liberties Committee as follows:

"To defend the cases of Communist lawbreakers, fronts have been devised making special appeals in behalf of civil liberties and reaching out far beyond the confines of the Communist Party itself. Among these organizations are the * * * Emergency Civil Liberties Committee. When the Communist Party itself is under fire, these fronts offer a bulwark of protection."

(Internal Security Subcommittee of the Senate
Judiciary Committee, Handbook for Americans,
S. Doc. 117, April 23, 1956, p. 91)

A source advised December 21, 1957 and January 6, 1958 that LEONARD BOUDIN, constitutional lawyer and legal counsel for Emergency Civil Liberties Committee, made a speech December 20, 1957, accepting the Philadelphia Associates as a group to work with the national organization. This occurred at a Bill of Rights Day celebration sponsored by the Philadelphia Associates, Emergency Civil Liberties Committee, at the Adelphia Hotel, Philadelphia.

A second source advised on May 23, 1962, that the Philadelphia Associates have not been active in the past two years, have no current active membership and do not maintain a headquarters in Philadelphia.

The "Guide to Subversive Organizations and Publications," issued December 1, 1961, by the Committee on Un-American Activities, U. S. House of Representatives, page 115, contains the following citation regarding the National Committee to Abolish the Un-American Activities Committee (NCAUAC).

"Cited as a 'new organization' set up in the summer of 1960 to lead and direct the Communist Party's 'Operation Abolition' campaign. Seven of the national leaders of this group have been identified as Communists.

(Committee on Un-American Activities, House Report 1278 on the Truth About the Film 'Operation Abolition,' Part 1, October 3, 1961, p. 5.)"

A source has advised that the NCAUAC changed its name on March 3, 1962, to include the word "House" in its name, thereby becoming known as the National Committee to Abolish the House Un-American Activities Committee.

SOUTHERN CONFERENCE EDUCATIONAL
FUND, INC.

"The Southern Patriot," a monthly publication, shows that it is published by the Southern Conference Educational Fund, Inc. (SCEF).

"The Southern Patriot" was cited as a Communist front by the Committee on Un-American Activities, House Report 592, June 16, 1947.

An amendment to the charter of the SCHW changed the name of that organization to the SCEF, and listed its purpose as being to improve the educational and cultural standards of the Southern people in accordance with the highest American democratic institutions, traditions, and ideals. The amendment was dated April 26, 1946.

A source, who is familiar with some phases of Communist Party (CP) activity in the New Orleans area, advised on May 15, 1961, that during the time the SCHW was in existence, CP members were members of and worked actively in the SCHW. However, since the formation of the SCEF, rank and file CP members have not been encouraged to work in the SCEF. The source stated that the SCEF is a progressive, liberal organization, which he considers a CP front organization because it has gone along with the CP on certain issues, particularly on the racial question, and through the years, certain CP members in the New Orleans area have been assigned to work in the organization to further CP principles.

On May 15, 1961, the source advised that in the past he has considered JAMES DOMBROWSKI, the Executive Director of the SCEF, to be a Communist, if not an actual CP member, because he followed Communist principles.

The source also advised on May 15, 1961, that many people who are officials and members of the SCEF, while liberal in their views, are by no means Communists.

Let Freedom Ring. Four months ago, Let Freedom Ring recommended that Americans arm themselves for home defense. We were careful to point out that we were not suggesting that people dash into the streets and start a war. We leave that sort of behavior to the liberals and communists who work so closely with racial extremist groups. Yet we were severely criticized by the left wing press for suggesting that Americans exercise their constitutional right to protect themselves and their loved ones. Since that broadcast, communist guerrilla warfare has shaken the very foundations of our society. Rochester, N. Y.: four killed, 350 injured, including 35 policemen. New York City in one week only: two shot. Philadelphia: untold destruction and pillage. The list is becoming endless. Newark, Chicago, St. Augustine. Americans must realize that communist guerrilla warfare disguised as racial demonstration(s) is no longer limited to the jungles of Asia. Communist guerrilla warfare has come to Main Street, U. S. A. We urge every law abiding American to buy a weapon for home defense. If communist guerrilla warfare (or/called) racial demonstration erupts in your neighborhood stay at home and obey the law, but be prepared to defend your

Let Freedom Ring. Have you ever wondered what happened to the 56 men that signed the Declaration of Independence, pledging their lives, their fortunes, and their sacred honor that this nation, under God, would not perish from the earth? Five were captured and tortured by the British; nine fought and died from wounds or hardships of war; 12 had their homes pillaged and burned; two lost their sons in battle; another had two sons captured. Who were these super patriots? Most were young, 18 of them under 30. They were responsible, religious, family men. These 56 were the fathers of 325 children. 24 were lawyers and judges; 11 were merchants; nine were farmers. These men who we call patriots today were regarded as radicals by the moderates of their time who counseled quote, Come let us reason together with the king, unquote. They all signed the Declaration of Independence, knowing that the penalty would be death if they were captured. They all knew that King GEORGE would brand them traitors, which he did. They knew they would be tracked down, persecuted, tortured, killed, which they were. They didn't risk their lives, their fortunes, and their sacred honor for personal gains. Most of them already had it made. They could have played ball with the enemy, like many of our fat-cats are doing today and stayed on top, for a while at least. Some people seem to think we have a permanent patent on freedom. Have we become a nation of mental midgets who sold out our freedom birthrights

for a mess of pottage? Who have so long shunned our responsibilities as free citizens that we are now trembling weaklings? Brained-washed into self-imposed inferiority complex? Happy-pilled into becoming a nation of sheep, ignoramuses and ostriches? Intimidated into a complete lack of faith in our own mental health? Lied into accepting what power-mad incompetents they must be? September 28, 1964

Let Freedom Ring. Hear the words of the honorable ROSS R. BARNETT, former Governor of Mississippi. The history books do not record that any other nation at 100 year intervals has been twice thrown into convulsive agitation over the impecunious demand of one class or race of people that they be absorbed into the society of another. In fact, there is no other instance of such an occurrence. There must be somewhere a reason for the singularity of this situation. Perhaps it lies in a lack of racial pride of the American Negro himself. The Negro writer [redacted] (ph) says that due to lack of race pride there is no immunity. I do not attempt to debase the Negro race, for its many good qualities must be recognized. It is to be lamented that the many thoughtful, responsible Negroes have been pushed aside as Uncle TOMs in the insensate struggle now going on. They should re-assert themselves and repudiate the poisonous doctrines now being urged upon them. It is not sufficient to brand the civil rights statutes unconstitutional and let the matter drop there. The infection lies much deeper. All such pretended laws are repugnant to, and utterly destructive of the broad underlying principles and concepts of the principles under which we live, and under which our nation has grown so great. These precepts are many centuries older than the Constitution itself. They are the elements out

b6

of which the Constitution was created. Must we stand helplessly by and watch their desecration. In the name of freedom, freedom is being destroyed. In the name of liberty, liberty is being destroyed. Oh liberty, what crimes are committed in thy name. Let Freedom Ring.

September 29, 1964

Let Freedom Ring. Listen to ROSS R. BARNETT, former Governor of the State of Mississippi: (BARNETT) Fellow Americans, sometimes it is good to recall our American traditions and refresh our memories regarding the hardships and struggles of our forefathers who sacrificed so much to gain liberty and freedom. But in doing so, they list the foundations for democracy which have made our country great and our government the greatest that has ever been promulgated in the history of the world. We have traveled a long and rugged road from 13 struggling colonies in a new world to the greatest and most powerful nation on the face of the earth. This has been made possible by the courageous, cultured, and refined men and women who handed down our traditions of liberty and democracy aided by the great natural resources of our favored land. While writing the Declaration of Independence, the President of the Congress told the members that they must all hang together. And BENJAMIN FRANKLIN, that great statesman, said, Yes, indeed we must all hang together or else we shall all surely hang separately. I say to you, my fellow Americans, today that if we who believe in Constitutional government and the rights of the states and local self government, if we do not hang together we will hang separately. (End of BARNETT's speech.) Hear ROSS BARNETT speak on civil rights and the destruction of our constitution this coming Sunday at the Lansdowne Theater at 8 p.m. For a ticket

LET FREEDOM RING

to this speech, send \$2.00 to BARNETT, Box 258, Media, Pa., and call this number for another talk by Governor BARNETT. Let Freedom Ring.

September 30, 1964

Let Freedom Ring. We take great pride in presenting the Honorable ROSS R. BARNETT, former Governor of Mississippi:

"Ladies and Gentlemen. I find that many industrialists throughout the nation admire the people of Mississippi for voting overwhelmingly to put the 'Right to work Law' into our State Constitution. The people of Mississippi, the white people and the colored people, work side by side in perfect peace and harmony and perfect understanding. We do not have any trouble in Mississippi in our labor as other states are having. The only time we have trouble in Mississippi is when agitators from other states come into our state and tell us what to do. You may recall when the Freedom Riders came into Mississippi trying to tell the people of Mississippi how to run our government. We were very courteous and very kind and polite to them, but when they started violating our laws, we simply put them in jail and kept them there until they paid their fines."

Hear ROSS R. BARNETT speak on civil rights and the destruction of our Constitution this coming Sunday at the Lansdowne Theater at 8 p.m. For a ticket to this speech, send \$2.00 to BARNETT, Box 258, Media, Pa., and call this number tomorrow for another talk by Governor BARNETT. Let Freedom Ring.

October 16, 1964

Let Freedom Ring. Here's more on HUBERT HORATIO HUMPHREY. President JOHNSON must have forgotten that he himself reportedly called the radical HUMPHREY a bomb thrower when HUMPHREY first arrived in the Senate of the United States. One of the experiences that

LET FREEDOM RING

HUMPHREY would probably like to forget is when members of the Senate got up and walked out one by one as he delivered a bitter, unjustified attack on the highly respected Senator RICHARD BYRD of Virginia before he learned he would get further by appearing to be more moderate. HUBERT HUMPHREY cannot cover up his radical left-wing background, so he is now presented to the American public as having moved from his extreme left position toward the more moderate and acceptable center. He is credited with having effected the merger of the Farmer Labor party, which was left-wing socialist and the Democratic Party in Minnesota, now known as the Democrat Farmer Labor Party. The Progressive, a socialist magazine of Madison, Wis., in a subscription drive on their 40th anniversary proudly stated that HUBERT HUMPHREY was one of their contributors and ran his picture and his written praise of the magazine. Other contributors included CYRUS EATON, NORMAN THOMAS, RODGER BALDWIN, and A. PHILLIP RANDOLPH. In 1958, HUMPHREY made a trip to the Soviet Union where he admittedly was engaged in a private conference with KHRUSHCHEV, which lasted for eight hours and 25 minutes. It was right after this conference that HUMPHREY began to think seriously of running for the Presidency. Something must have made him feel he had a chance of winning. Although he lost out on the nomination in 1960 to the well organized KENNEDY steamroller, he was handed the nomination this year for the position that is just a heartbeat away from the presidency with a presidential nominee who has already suffered one severe heart attack. HUMPHREY himself sponsored 1,014 bills during his first two terms in the Senate. If HUBERT had his way, the government would regulate life from the cradle to the grave. For documentation on HUBERT HUMPHREY, an amazing record (ph) send a \$1.00 donation to the HUMPHREY DISASTER, Box 645, Sarasota, Fla. Call tomorrow for another message. Let Freedom Ring.

October 17, 1964

Let Freedom Ring. Here is part four of our weeklong look at HUBERT HORATIO HUMPHREY. Under JOHNSON, the

LET FREEDOM RING

notorious left wing Americans For Democratic Action will be reaching for the presidency itself in the person of HUBERT HUMPHREY. A repetition of JOHNSON's coronary attack of 1955 could place HUMPHREY in the driver's seat. Since his election to the Senate in 1948, HUMPHREY has dutifully toed the socialistic path carved out by the ADA. On 194 issues tabulated by the ADA from 1949 to 1964 he has seen eye to eye with this organization 191 times. Domestically, the ADA ideology calls for the total welfare state and supports government control, financing, planning and take over. In foreign affairs, it is devoted to co-existence with rather than victory over the communist international conspiracy. The ADA is critical of the representative democracy defined by the Constitution and favors steps toward direct democracy. It proposes abolishing the electoral college, abolishing loyalty oaths and repeal of the communist control act. From 1950 to the present the ADA has called for the abolition of the House Committee on Un-American Activities. The Senate Internal Security Commission and the FBI are also cherished ADA targets, but not the communists and Soviet spies that these two agencies have unearthed. The ADA is like all leftists, don't feel the same way about threats from the right and from the left. They feel that the real enemy is always to the right. Some on the left, like the communists, may be partly mistaken they say, but their intentions are good and you can reason things out with them. An un-abashed anti-communist, whether a General MC ARTHUR, or an obscure FBI agent, is a standing threat to peace and liberty with whom no compromise is possible. This is what they would have us believe. For documentation on HUBERT HUMPHREY, send \$1.00 to Humphrey Disaster, Sarasota, Fla., Box 645. New message Monday. Let Freedom Ring.

Let Freedom Ring. Captured American soldiers are living under conditions of filth and deprivation in the far corners

LET FREEDOM RING

of the world, but the JOHNSONS don't seem to care. American slaves behind the iron curtain can't vote. The JOHNSON administration uses your tax money to feed communist dictatorships while American sons are dragged across Asian rice paddies like dogs, with ropes around their necks. Hundreds and possibly thousands of American citizens are living in slavery as prisoners of war, yet LYNDON JOHNSON talks as if he were preventing that war. One agent has reported that hundreds of young Americans are working in Siberian slave camps. Corporal [redacted] (ph) of the 179th Infantry, for example, is a plantation slave and drives a tractor in Terrinscare, Kultabaz, Russia (ph). Second Lieutenant [redacted] was abandoned in Korea and is possibly on a Russian slave farm in Siberia. Marine Private [redacted] of [redacted] deserted by his country. Captain [redacted] [redacted] deserted by his country. Desertion in the military is a criminal offense, second only to murder. The Commander in Chief of our Armed Forces, LYNDON B. JOHNSON, has deserted these soldiers and he is no less a criminal than the buck private who deserts his squad in battle. [redacted] said, quote In short, Americans are just to die quietly, tragically, obediently, while nobody rocks the political heat until November, unquote. Let Freedom Ring. Here is more on perversion and moral decay in Washington. [redacted] was arrested on October 7, 1964, as a sexual pervert. He had been arrested at the same place on January 15, 1959, for the same loathesome behavior. The police in Washington are on the lookout for perverts like [redacted] constantly. [redacted] has estimated that over 3,750 such misfits are employed by the Federal government. The over-riding issue is that of national security. The Soviet secret police is well known to be

LET FREEDOM RING

an expert in trapping homosexuals in order to use them for espionage. [] could have had, at any time, laid his hands on the most closely guarded secrets of the United States, including the workings of most advanced in nuclear weapons. He had access to more highly secret information than any but a few men in government. The CIA has quietly begun probing the possibility that the [] case might involve foreign espionage through blackmail. In view of these facts a reasonable person might have the right to expect that the president would take every precaution to be sure that such an individual with such high responsibility would be without any possible blemish and a man like LYNDON JOHNSON who uses others as the raw material for his own success is not the type to overlook their possible weaknesses. He is, in fact, noted for an unquenchable thirst for intimate knowledge and personal gossip about everyone of importance in the capitol. It is hard to believe that he would not have the right slant on his own personal advisor. President JOHNSON has shown reluctance to allow a probe of [] background. But one thing is clear, the protective research section of the Secret Service has been notified as early as 1961 by the FBI of [] previous arrest. Have everyone you know, especially Democrats, call Let Freedom Ring everyday this week for the true suppressed facts on moral decay and perversion in Washington. October 29, 1964

Here is more on perversion in Washington. An attempt is being made to convey to the American public that President JOHNSON and his advisors were unaware of the homosexual background of [] just as he supposedly knew nothing of [] financial deals; however, Washington newsmen have learned that the FBI delivered by hand a memo to LYNDON B. JOHNSON in 1959 containing the full details of [] homosexual arrest at that time. When the [] homosexual arrest

LET FREEDOM RING

was made, [] (ph) and CLARK CLIFFORD went in person to the three leading Washington, D. C., newspapers and tried to get them to kill the story, or at least soft-pedal it. [] was observed committing the crime of sodomy by two vice squad men. The papers have tried to pass it off as a morals offense or act of indecency. The truth is that [] was so far advanced in his homosexual practices and so bold that he used a public toilet of a YMCA where a novice or beginner would have used utmost secrecy. [] and CLARK CLIFFORD have been described as friends and unofficial advisors to President KENNEDY. [] has a documented history of affiliation with known communist fronts, has aided communists, and was a close associate of individuals exposed as Soviet agents. With friends and advisors of this type influencing the President of the United States we have much to be concerned about in regard to the security of our country. The [] case has its security angle since the matter rested with him. [] was reported under investigation by the FBI as a subversive.

October 31, 1964

Here is part four of perversion in Washington. Two weeks after President JOHNSON was sworn in, the White House called the CIA and immediate clearance was asked for four JOHNSON men who would be in on everything. Since this type of clearance would involve the security of the CIA itself, whose documents must pass to the President, the CIA suggested that the FBI run a full field investigation on the four. There was a long hostile silence on the White House end of the phone. The CIA, lacking legal authority to insist on investigation of the Presidential staffers, had no alternative but to give the four men the

LET FREEDOM RING

top security clearance desired by the White House. The four were [redacted] JACK VALENTI, [redacted] and [redacted] and is the one man who has total rapport with JOHNSON. Whether or not [redacted] was being blackmailed by the Communists, there remains the significance of his intimate relationship with JOHNSON and the obvious question: Just what kind of an individual and what kind of atmosphere does JOHNSON have surrounding him? Is it the kind of situation which the American people have the right to expect in the office of their President?

The public is generally unaware of the fact that [redacted] is, in fact, one of the many [redacted] of LYNDON JOHNSON. Actually, [redacted] shared the [redacted] [redacted] has a market value of well over a quarter million dollars. In addition, until this year, he was drawing two salaries; one from the taxpayers and another as [redacted] [redacted] has been called upon to approach the Agriculture Department in favor of [redacted] cotton allotment problems in 1961 and according to the sworn testimony of two witnesses, it was [redacted] who arranged the kickback of the famous [redacted] stereo set.

November 1, 1964

Let Freedom Ring. Here is more on hushed up scandals in Washington. An admitted Washington prostitute, in grave fear, recently gave five hours of incriminating testimony to a private detective. She unfolded a tale of fantastic corruption in high places in our nation's capitol, reaching right into the White House itself. She stated that she had been employed by [redacted] and [redacted] to sexually entertain key people in both

LET FREEDOM RING

houses of Congress and others in government positions for the purposes of obtaining evidence that could be used for blackmail or pressure purposes politically. Through other sources, we know that the [redacted] (ph) was maintained for the same purposes. She maintained a suite at a convenient hotel, just down the street from the Senate office building and the capitol. [redacted] (ph) met the victims in/at [redacted] in the Coral Arms Hotel and then entertained them in her private suite where the evidence was obtained. Many Congressmen, Senators, officials, politicians, etc., were trapped in this way. All the facts concerning those involved are known to the FBI, including the facts that among those who enjoyed the favors offered by the [redacted] set up were reported to be [redacted] Senator HUBERT HORATIO HUMPHREY, and P. E. KENNETH O'DONNELL, Presidential Assistant who is a holdover from the KENNEDY administration who is still on the scene. [redacted] was quietly spirited out of the country and back to West Germany, where [redacted] promptly divorced her. [redacted] came from the Communist East Germany as an alleged refugee to West Germany before coming to the United States. There is a report, known to our intelligence officers, that [redacted] was in contact with communist country diplomats while she was in Washington. All of this information and more is presently in the hands of New York and Washington newspapers and several individuals. It is doubtful that the story will be allowed to be told.

November 3, 1964

Let Freedom Ring. Here is more on moral decay in Washington. When the news of [redacted] arrest became public, he

LET FREEDOM RING

was promptly ushered to a hospital suffering from supposed exhaustion and thus unavailable for questioning. He is reportedly being held under close security guard by Secret Service men, who have refused permission for him to be interviewed. Although there is information that this was the fifth known incident of this type in which [redacted] has been involved only one other incident is on the records. Washington Police officials in the absence of the Chief of Police, who was home sick, were reported destroying certain records in connection with the [redacted] arrest. His police photograph, with the number [redacted] on it, was torn up and thrown out. It was retrieved, however, and we have examined the original and have a photostat in our possession. The charge on the blotter against [redacted] was about to be erased when the incident was tracked down by newspapermen who had been tipped off. This is an example of how the Washington white-wash works when one has friends in high places. The appointment of another homosexual security risk to be [redacted] was announced on October 14th, [redacted] (ph), the man nominated by President JOHNSON is known to be a serious security risk over 14 years ago. [redacted] has admitted to security officers that he first became involved in homosexual acts before he was 18 years old. [redacted] was, at one time, [redacted] [redacted] for a number of years. In each of his assignments over a period of years reports came in to security officials regarding his homosexual activities. In 1954, the FBI submitted a detailed report so derogatory that he was denied a presidential appointment. And now his name has been submitted for a presidential appointment by LBJ who never seems to be told anything bad about his friends and is always the last to know. We urge all listeners to have their friends hear this important message before election day. Call tomorrow for more on moral decay. Let Freedom Ring.

Let Freedom Ring. The recent election has proved very heartening to the conservative movement in the United States. The conservative philosophy has won the backing

of over 25 million Americans and stands as a constant thorn in the side of the liberal do-gooders that see JOHNSON's election as a green light to pull out all the stops. First and foremost among the individuals working in behalf of conservative candidates throughout the nation have been members of the John Birch Society. Let Freedom Ring takes this opportunity to single out these tireless dedicated individuals for applause. The organization itself has not only withstood constant attacks from the left wing but has actually grown to a fantastic degree in spite of such smears. Senator GOLDWATER himself has said that some of the finest, most dedicated Americans he has known have been members of the John Birch Society. Many individual members of this organization have spent thousands of dollars to inform the American people of the dangers of continuing socialistic drift in this country.

To show the undaunted spirit of these people, car bumper strips have appeared throughout the nation stating "GOLDWATER in 68 if it's not too late." Other bumper stickers say "Now will you join the John Birch Society; it's all we have left." And in a way, how true this is. The John Birch Society now stands as a leading book store chain in the world, publishes the largest selling political magazine in the country, and has proven to be the most effective anti-Communist organization on earth, has the largest hour of anti-Communist speakers and is effectively organized to carry out the principles consistently advocated by Senator GOLDWATER all through his trying campaign.

You owe it to yourself to find out more about this patriotic Americanist organization. The John Birch Society asks all interested truly patriotic Americans to write for information. Let Freedom Ring is happy to cooperate. For information, write JBS, Box 954, Philadelphia 5. Take heart; conservatism is here to stay. Call Monday night for a new message. Let Freedom Ring.

November 12, 1964

Let Freedom Ring. If you'll pardon a somewhat tired cliché, now is the time for all good men to come to the aid of the country. Now since the election that is more true than ever. Many people feel that Senator GOLDWATER and the conservative anti-communist cause in America has suffered a severe setback. In reality, the reverse is true. The election proves that there are 25 million Americans today who know the score. If only eight million more people had been armed with the facts on just how rapidly socialistic this country is becoming, it would have been a different story. Now is not the time for all good men and women to give up and say "I tried." Now is the time to start educating the eight million people we need to put this country back on the road to greatness again. Now is the time to educate yourself and others; to fight for the cause of conservatism; to fight against atheistic communism and for the preservation of this great republic. One of the best ways to accomplish these objectives and to increase the strong conservative voice in the land now crying for less government, more individual responsibility, and a better world, Let Freedom Ring believes, is to join the John Birch Society. This organization has come to the forefront in this fight for the American way of life. The John Birch Society, at its own request, was investigated by the California Committee on Un-American Activities. It was found that many of the allegations and rumors against this patriotic organization could not be supported by fact. Utilizing both white and colored investigators, it was learned that John Birch Society isn't anti-Semitic, anti-Negro, or anti any religious group. Investigators found no evidence of violence or unlawful activity engaged in by the John Birch Society. Every American owes it to himself to find out more about this worthwhile organization. Let Freedom Ring will be happy to forward all inquiries to local

LET FREEDOM RING. [redacted] (phonetic) is one of the most brilliant men in the State Department today. He was one of the top men in the Security Division. It was his job to see to it that the security of this wonderful country we live in is kept well guarded. When CASTRO took over Cuba, several State Department men in Havana frantically sent message after message warning that this agrarian reformer CASTRO was a dedicated Communist. They had information that he was and always had been a Communist. These dedicated State Department men were frustrated beyond description by the failure of their messages to get through. The reason, in part, for their messages not getting through was a top man named [redacted] (phonetic). [redacted] admitted to the sidetracking of vitally important messages about CASTRO. [redacted] was uncovered by the aforementioned [redacted]. [redacted] The State Department, under its head DEAN RUSK, has gone through endless means to cover up its mistakes. [redacted] as a result of his patriotic action in uncovering the treasonous actions of [redacted] and others, has been demoted and repeatedly harassed. His phones have been tapped, and he has been subjected to every imaginable type of threat. His superiors have even tried to have him fired and other State Department higher-ups have even perjured themselves to smear this loyal American. [redacted] on the other hand, has been

promoted to an even higher rank. The State Department has protected other Communists or sympathizers over the years. The late Senator SCOTT MC CLEOD left a list of over 800 known subversives, homosexuals, perverts and other security risks. This list has been in the hands of DEAN RUSK and his advisors for weeks now. Not one move has yet been made. Not one person has been fired or even questioned. All the while, these questionable persons roam around the top-most places in the Department. LET FREEDOM RING. Folk music is now so immensely popular with young people that it is almost impossible to escape its sound regardless of which entertainment media you choose. The most popular of these singers is a [] year old Harvard graduate named [] has a Communist affiliation record as long as the strings on his wailing guitar. Listen to this. In 1960 he was listed as an identified Communist by the House Committee on Un-American Activities. In 1955 he was indicted for contempt of Congress for refusing to answer questions about his Communist activities. Evidence produced by the Committee indicated that [] in 1949 appeared in honor of 12 indicted Communist leaders to entertain them. He taught at two subversive Communist dominated schools. He was the [] of a national organization known as Peoples Songs, which was an organization made up of Communists for the purpose of extending services to the entertainment projects of the Communist Party. [] participated in rallies, hootenannies, musicals, parades, summer camps, and lectures sponsored by the Communist Party or known Communist fronts. How does this affect you? Most of the new folk music contains the old Communist line such as ban the bomb, anti-Americanism, anti-free enterprise, and anti-prosperity and of course criticizing patriotic organizations and individuals. Our youth has been greatly influenced and continues to be influenced by the old Marxist line now spewing forth from radios and record players all over the country. The list is seemingly endless and includes

such names as [redacted] (Phonetic). For complete information on the Communists' latest musical tricks send one dollar to Folk Music, Box 120, Swarthmore, Pennsylvania, and LET FREEDOM RING.

LET FREEDOM RING. Secretary of Defense, ROBERT "STRANGE" MC NAMARA, places limitless faith in the computer. It was ROBERT "STRANGE" MC NAMARA's computers that said that the world was ready for the Edsel automobile. He then proceeded to manufacture the Edsel and practically bankrupt the Ford Motor Company. Sensing the obvious genius of this man, the Democratic Party tapped him for Secretary of Defense position. Since occupying this sensitive position, he has done everything he can to completely wreck the defenses of this country. He has closed down 600 defense operations so far and he has just begun, he says lethally. He is now going to disband the Army reserves and scrap the Strategic Air Command. Unofficial but highly reliable sources say that there haven't been 24 hour a day Strategic Air Command flights for well over two months now. In other words, all our planes are on the ground if we should be attacked. ROBERT "STRANGE" MC NAMARA says that one megaton missile warhead is plenty for the defense of this country. When the new leaders came into the Kremlin last month, their first statement was that they are going to spend a lot more on their military might. MC NAMARA is destroying ours. He plans to scrap all the Strategic Air Command bombers for their own defense since she cannot depend upon us any longer. ROBERT "STRANGE" MC NAMARA is digging the grave of this country. His computers constantly give him the wrong answers. For the first hand story of this strange misguided man, get the book "The Grave Diggers" now by sending \$.75 to MC NAMARA, Box 120, Swarthmore, Pa. LET FREEDOM RING.

LET FREEDOM RING. The Sunday radio and TV broadcasts on December 20th reported that Belgium has accused the United States' State Department of urging Congo Premier MOISHE TSHOMBE to take rebel Communists into his Cabinet.

LET FREEDOM RING

The same rebel Communists that slaughtered Americans, Belgians and others less than a month ago. Our State Department has no comment according to the news broadcasts. Our country is being poured down the drain by tin-haloed pseudo-intellectuals, self-styled liberals, and bureaucratic Washington. Right and wrong no longer seem to matter. Accommodation is all these blockheaded, gobble-de-gook, blubbering idiots seem to know. What has happened, ladies and gentleman, to the American tradition of being solidly for what is right and being utterly opposed to what is wrong? The human vermin in our State Department has long been accused by patriotic organizations of being traitorous. Doesn't this prove it? DEAN RUSK has in his possession at this very minute a list of almost 900 names of known security risks in the form of Communists, homosexuals, and perverts of all shapes and sizes. He has chosen to do nothing about it. Does this shock you? It should. What can you do? And please, ladies and gentlemen, do it. Don't just call every day and do nothing. Our country is wasting away. Join the JOHN BIRCH SOCIETY and fight this criminal, Communist conspiracy. Write Box 120, Swarthmore, Pa., and LET FREEDOM RING.

December 23, 1964

LET FREEDOM RING. What we are trying to say, good people, and we will try to control ourselves this time, is that our State Department has made one of the blunders of the century and has neatly covered it up so that the American people won't be incensed. Our State Department in Washington, D.C., has been pressuring MOISHE TSHOMBE, the Premier of the Congo, to take into his cabinet and Government, Communist cannibals. These same rebels who had such a grand time slaughtering people unmercifully less than a month ago and are still doing it. Understand, please, our State Department has pressured the acknowledged Christian leader, the pro-United States Premier of the Congo to compromise with right and wrong and to allow into his Government the criminal murderous Communist rebels that killed so many people unmercifully before our paratroopers could get there and rescue them. This information was all on radio and TV news media on Sunday the 20th of December.

LET FREEDOM RING

I have tape recordings of it from one of the top radio stations in the country, WOR in New York. By Monday morning the whole thing had been hushed up and not one word of this fantastic story ever made the newspapers or radio again. This same Communist-infiltrated State Department that pressured [redacted] so severely when he was doing his job in the security section. This same State Department that helped CASTRO and MAO TSE-TUNG to power has openly encouraged a great patriot, who has tried his level best to bring order out of chaos in the Congo, to align himself and associate himself with murderers, Communists, criminals. Please, become upset about this, will you? It is our country that is being ruined. If you would like to inform yourself more, join the JOHN BIRCH SOCIETY. Write to me, Box 120, Swarthmore, Pennsylvania. New message Thursday. LET FREEDOM RING.

December 24, 1964

LET FREEDOM RING. I want to wish all of you out there Merry Christmas, and may God help this country in 1965, because the present powers in Washington don't seem to be helping much. Example - on Monday night at 5:00 p.m. on radio station WPEN, the following news items was heard: "It seems Egypt's extremely pro-Communist, President NASSER has threatened to stop accepting U.S. foreign aid unless the U.S. minds its own business and stops telling him to cease shipping arms and ammunition to the Communist Congo rebels. NASSER further says that he intends to continue sending arms to the Congo Communist rebels and that the United States just better stop bothering him about it, or he will simply refuse the millions of dollars in aid we seem to beg him to take yearly." Horrible! Now, isn't this a fine kettle of beans!

Our money is going down the drain, the drain of a Communist scoundrel. We, or rather the State Department, is actually begging MASSER to take our money even though he is using it to help our Communist enemies. The same thing has happened hundreds of times before so it is really not new, although it is shocking.

We have given hundreds of millions of dollars to Indonesia's SUKARNO, for instance, who is an admitted Communist, and is bent on destroying Indonesia and Malaysia. We aided CASTRO and MAO TSE-TUNG in the past. And we had Spain's

LET FREEDOM RING

aid to the poor Hungarians stopped. Result, Hungary is now behind the Iron Curtain.

I think that our foreign aid section of the Government is rotten to the core, and getting worse. So, at this time of the year we say, Peace to Men of Good Will, All Men of Good Will, not Good Will to All Men. There are entirely too many scoundrels included in the general term, men.

LET FREEDOM RING. Contributions or correspondence should be addressed to Box 120, Swarthmore, Pa.

December 28, 1964

LET FREEDOM RING. We are now in the process of losing the war in South Viet Nam. A bachelors officers quarters has recently been bombed and sixty service men injured and two killed. Last month, a sneak attack on one of our bases resulted in the destruction of 24 bombers. It is a known fact that daily our boys are being picked off like ducks in a shooting gallery in their outmoded helicopters by Communists on the ground with rifles.

BARRY GOLDWATER suggested that we bomb North Viet Nam supply lines in order to stop the shipment of ammunition and supplies to the Communists. LYNDON JOHNSON and ROBERT "STRANGE" MC NAMARA have refused to do so. As a result, the war continues on and on. No headway is made. Our soldiers keep getting killed. No decisive moves are made. Morale gets lower and lower and eventually we will lose completely. The same thing has happened in Korea, Laos, Panama and Cuba.

Our civilian misfits in Washington who know nothing of strategy and very little of tactics, have no use for the trained experienced military so they relegate them to retirement or disband the service they are in, or send them off to some limbo or other. The military forces by plan are being demoted in the public mind. Deliberately the public is being led to believe that the military is stupid and good only for actual combat.

The same is being done in relation to our local police.

LET FREEDOM RING

The public is being made to believe that our police are brutal and callous. Nothing could be further from the truth.

For a first hand look at how the so-called intellectuals are actually plotting the demise of this country as a strong defender of freedom into a wishy-washy helpless indefensible butt and socialistic state, send one dollar to Military, Box 120, Swarthmore, Pa.

LET FREEDOM RING.

December 29, 1964

LET FREEDOM RING. On Monday morning December 28, 1964, on the [] Show on radio station WOR in New York, an expert on the Kennedy assassination appeared in defense of the Warren Commission report. He naturally supported it as a brilliant work of an unbiased researcher.

b6
b7c

The Warren Commission completely ignored the fact that OSWALD was an avowed Communist, that he had spent much time in Russia, married a Russian woman, and was an officer in the Fair Play for Cuba Committee, an organization cited as a Communist front. He had also renounced his American citizenship and had taken a pot shot at Major General EDWIN WALKER with a rifle previously. It is also completely overlooked that within five minutes of the shooting major news medias and commentators were blaming the right wing element for the crime even though this was hardly the truth. The Communist infiltrated Voice of America was broadcasting within a half hour to Russia that the work was the work of the right wing. It was set up as a perfect crime by the Communists.

Communists have testified secretly that they were ready to start shooting at anyone even remotely connected with the right wing as soon as the President was assassinated. Can you possibly imagine the tumult that could have resulted if OSWALD had not been caught. The right wing would have certainly been blamed. The Communists would have taken over the situation and

LET FREEDOM RING

started internal disorder in this country that wouldn't be comparable to anything in our history. Communists have already informed Secret Government hearings that this is what they were trying to do.

As it was, the Communists had OSWALD exterminated before he could inform and be forced to tell the true story of the Communist plans. This has been done hundreds of times in the Communist back history. They always exterminate their henchmen if something goes wrong with the plans.

Incidentally, the Communist Daily Worker within 48 hours of the crime, issued a call for a commission to be set up to investigate the crime and to be headed by EARL WARREN. WARREN, who has reinstated hundreds of Communists in their teaching and other sensitive jobs, was appointed and, of course, covered the whole thing to an unaware public.

These facts are completely documented in TRUE. For a brief resume of the JOHN BIRCH SOCIETY, the number one enemy of the Communists, send 25¢ to Box 120, Swarthmore, Pa.

LET FREEDOM RING.

December 30, 1964

LET FREEDOM RING. In spite of the worsening situation in South Viet Nam, in spite of the fact that the Communist North Vietnamese last week blew up an officers' quarters injuring 65 and killing 2 Americans, in spite of the fact that 6 American helicopters were shot down last week killing more Americans, in spite of the fact that a group of rebel generals have overthrown the civilian Government, in spite of the fact that the North Vietnamese supply lines remain undisturbed by us, in spite of the fact that less than two months ago North Vietnamese guerillas got close enough to our airfield to blow it up and destroy 24 bombers completely, in spite of the chain of defeats, humiliations and retreats in South Viet Nam, our no-win bureaucratic officials have the gall to say "that things are looking better every day because the voice of moderation has been heard"-The Bulletin, December 30th, 1964, page one.

LET FREEDOM RING

LET FREEDOM RING is proud not to be the voice of moderation. LET FREEDOM RING is dedicated to the fact that 30 years ago, or until 30 years ago, the United States was a supreme power in every field the world had to offer. We would utterly reject anything that suggested compromise was wrong. Today, our country is willing to compromise on anything; anything at all. We will compromise with liars and thieves, perverts and Communists, cannibals and murderers and even dictators. Result: We no longer LET FREEDOM RING and persons telling the truth are maligned, distrusted and harassed.

Our suggestion: In our personal and Government lives, what is right, true and moral and just should never be compromised. A good looking America in 1964 will show you why.

Our address: Box 120, Swarthmore, Pa. LET FREEDOM RING.

January 4, 1965

LET FREEDOM RING. In 1935, President FRANKLIN D. ROOSEVELT declared that 43 million people in the United States were underfed, under-clothed and under-housed. In 1965, the United States President now deplores the dismal poverty of 38 million. He implied that during all these years of New Dealism, Fair Dealism, New Republicanism and New Frontierism that poverty in the United States has remained virtually unchanged. He now proposes great Societyism as the answer. We would like to reveal a few statistics. In Harlan County, Ky., in the heartland of the depressed area 88% of the families have washing machines, 67% have TV sets, 42% have telephones and 59% own automobiles. We would like to say the following without fear of contradiction. The so-called poverty in the United States is a figment of Mr. JOHNSON's imagination. Freedom to work and make a success of oneself also carries with it the freedom to make a lazy bum of oneself. I would easily qualify for Mr. JOHNSON's poverty relief because of having made less than \$2,000 last year. I wouldn't have it. Nevertheless, I still drive a Mercedes-Benz, have a telephone, TV set and don't need a washing machine, and I also manage to support this telephone calling service. In short, the anti-poverty program is nothing more than a scheme

LET FREEDOM RING

to make the American public even more dependent upon a central Government for its support. Its nothing more than a socialistic, wicked scheme to kill incentive, initiative and free enterprise. It is nothing more than a farce, a lie and a deception. You don't believe it? For proof, send one dollar to Poverty, Box 120, Swarthmore, Pa.

LET FREEDOM RING. The United States is bankrupt. Really, we are not kidding. The United States owes over one trillion dollars. Carrying the national debt, Social Security, pensions, welfare statism, and other things, the United States is committed to over one trillion dollars. This has happened as a result of thirty years of deficit spending, unbalanced budgets, and inflation.

Thirty years ago the average steelworker made \$14 per week and you could buy a new Ford for \$300. Both lived very well. He now makes ten times that much and the Ford costs ten times as much. The dollar is worth a tenth of its original value. Sound fiscal policy dictates that the budget be balanced every year, just as your and my checkbook is balanced every month. It has been so long since this has happened that we have forgotten what it means. It's like the United States having a giant charge account at Wamamakers; it doesn't have the money to pay its bills, so it just prints more and more money. The result is that the money becomes less and less valuable.

b6

Have you ever noticed that the dollar bill is no longer redeemable in silver? It's a Federal Reserve Note. The Government is now contemplating plastic - plastic coins. Once again we say, "Honesty is no longer even thought of in Washington." Vote getting is all that counts. The winner in any

January 8, 1965

LET FREEDOM RING. We would like to remind you of the fact that over 48 million people now get Government checks monthly. That's more than one for every other household in the United States. This means that Government aid is at an all time high and getting higher. Federal aid is also Federal control. A Government that can tell you who to hire can also tell you where to work. A Government that can tell you who to serve can also tell you who to rent to and sell to and what to buy. The policies of LYNDON JOHNSON so closely parallel those of FRANKLIN D. ROOSEVELT that it is almost sinister. FRANKLIN D. ROOSEVELT, who ridiculously ran on a conservative platform, was the biggest deficit spender in history up to that time. LYNDON JOHNSON is now trying to out-do FDR. He is doing it with a phony war on poverty, medicare, and a thousand other fake excuses to mortgage our grandchildren and their heritage. The American people deserve better than that. A wise historian once said, "That the price people pay for failure to get involved in Government is that they become ruled by their inferiors."

The present Government in Washington is a classic example. How in the name of common sense the American people fell hook, line, and sinker for the democratic platform is something for the historians to ponder over. The State of the Union address by

LET FREEDOM RING

LBJ the other day was a real gem. He promised everyone everything. He said that everyone is going to be wealthier, healthier, and smarter at the end of his administration than before it began. We will be lucky not to have been taken over completely by the Communistic Socialists now inhabiting the corridors of Government. The national debt is almost \$400 billion and getting bigger every day. The total U.S. debt is over a trillion dollars; we are actually bankrupt and don't know it. We have been borrowing from ourselves for so long and devaluating our currency so long that there isn't anything left to work with. Historians pouring over the ruins of the Western civilization hundreds of years from now will shake their heads and say, "What a bunch of fools; they ruined this once glorious empire; they spent themselves right out of existence; they voted for the party that promised them the most out of the public treasury and literally destroyed themselves." These same historians will be also sure to notice that there were some people concerned enough to voice a protest. I am glad to be one of them. For the latest issue of American Opinion Magazine, write Box 120, Swarthmore, Pennsylvania, and enclose \$1.00. New message Monday. LET FREEDOM RING.

January 26, 1965

LET FREEDOM RING. From the front page of Monday's Washington Post we learn the following: The United States treasury is probably going to take away the gold reserve from our currency. In other words, the money you and I carry around in our pockets will no longer have to be backed up by gold in Fort Knox. This is just another step in the long downward trend of our money. Our money is skidding so fast on the road to having no value at all it makes us dizzy. Already the Canadian dollar is worth 10% more than the U. S. dollar. Our money is devaluating so rapidly that money put in banks is almost depreciating as fast as the interest it is earning. The difference is less than 1% a year.

LET FREEDOM RING

You think you're getting 4%? Brother, you are getting less than 1/4th that much. Now (when/that?) the U. S. no longer has any gold to back up the money it has in circulation it's really paper money. Real trouble is only steps away.

FRANKLIN DELANO ROOSEVELT, who probably did more to kill the United States than any other man in history, froze the price of gold at \$35 an ounce and shipped most of the gold mining machinery off to Russia 30 years ago. It costs \$40 an ounce to mine gold so naturally nobody is mining it even though there is plenty of it there. Most of the mines have filled up with water anyway in 30 years. Foreign countries are removing gold from this country by the millions of dollars every day. Why not? Ours is selling for half what theirs is selling for. If every country claimed all the money we owed them tomorrow and demanded it in gold we'd have less than 3 billion dollars in gold left in this country. Fantastic? Yes, but terribly, terribly true. Like I said before, we're bankrupt and don't know it. My advice - and I'm not a financial expert - get that money out of the bank and buy something quick! Start paying for something. Buy it on time and you can pay it off with devaluated currency. When the plastic coins come, then you can pay your debts off with that. New message Wednesday. Our address - Box 120, Swarthmore, Pa. LET FREEDOM RING.

On January 29, 1964, J. SHANE CREAMER, Assistant U. S. Attorney, Eastern District of Pennsylvania, advised there is a possibility that the message of 1/26/65 might be a violation of Title 18, U. S. Code, Section 1009, spreading rumors about Federal Savings and Loan Associations.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Enclosed for the Bureau are eight copies of a self-explanatory LHM. One copy of LHM being forwarded AUSA J. SHANE CREAMER, EDPA, at his request. He desires to discuss the messages, especially that of 1/26/65, with the Department by telephone. AUSA CREAMER also requested available information re background of persons responsible for the messages. Accordingly, Philadelphia LHM dated 8/12/64 is also being furnished to him.

For information of the Bureau, Clerks and SEs working in the Central Plant were used to monitor the daily phone messages and transcribe them since no prosecutive action was anticipated. This may present an embarrassing problem in giving testimony unless other witnesses are developed.

Philadelphia is continuing to monitor Philadelphia phone number GO 3-6520, Let Freedom Ring.

On 4/15/65 the matter was again discussed with AUSA J. SHANE CREAMER, Eastern District of Pennsylvania. Mr. CREAMER advised that he had not yet written to the Department. He has, however, given this matter considerable thought and has come to the conclusion that prosecution would not be possible. His analysis of Title 18, Section 1009 leads him to the conclusion that there must be specific reference to Federal and Savings Loan Associations. Since there are not specified in the broadcasts, he concludes reluctantly that prosecution will not lie and plans to express this opinion to the Department. This will be followed.

LET FREEDOM RING

Reference is made to Philadelphia communication dated February 2, 1965.

On February 9, 1965, Assistant United States Attorney J. SHANE CREAMER, Eastern District of Pennsylvania, Philadelphia, Pa., advised he would inform the Philadelphia Office when a decision is reached regarding the publications as set out in referenced communication on January 6, 8, and 26, 1965, by the Department of Justice in Washington, D. C.

This matter was again discussed with Assistant United States Attorney CREAMER on March 5 and April 15, 1965, and he is of the opinion that prosecution would not be possible under Title 18, Section 1009, U. S. Code.

On May 17, 1965, Assistant United States Attorney CREAMER advised he declined to authorize prosecution in this matter inasmuch as it is his conclusion that there is no specific reference to Federal Savings and Loan Associations in the publications by Let Freedom Ring referred to above.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

LET FREEDOM RING!

INCORPORATED

P. O. BOX 645

SARASOTA, FLORIDA

A PROSPECTUS

FOR PENETRATING ---

WHAT IS LET FREEDOM RING?

(LET FREEDOM RING IS A NON-PROFIT CORPORATION ESTABLISHED TO DISSEMINATE ANTI COMMUNIST, ANTI-SOCIALIST, PRO-AMERICAN BROADCASTS VIA A TELEPHONE TAPE RECORDING. YOUR "CUSTOMER" DIALS A NUMBER, (JUST LIKE TIME AND WEATHER), AND GETS 2 MINUTES OF ANTI-COMMUNIST DYNAMITE. HE IS AUTOMATICALLY CUT OFF AT THE END OF THE BROADCAST.

THE SCRIPTS ARE WRITTEN IN SARASOTA. ALL OUR FACTS ARE CAREFULLY DOCUMENTED. WE USE WEEKLY NEWSLETTERS NOT GENERALLY AVAILABLE, THE CONGRESSIONAL RECORD, TWO FOREIGN INTELLIGENCE REPORTS, AND MANY OTHER SOURCES.)

YOU WILL BE AMAZED AT THE INFLUENCE THAT YOU HAVE ON PUBLIC OPINION ALMOST IMMEDIATELY. LAST YEAR, FOR INSTANCE, WE WERE GIVEN CREDIT FOR HAVING KILLED THE UNICEF CHRISTMAS CARD DRIVE LOCALLY - AN ACCOMPLISHMENT OF WHICH WE ARE VERY PROUD.

THE SAMPLE BROADCASTS IN THE BACK ARE FROM 1-1/2 TO 2 MINUTES IN LENGTH. YOUR LOCAL VOICES ARE USED, OF COURSE, AND THE MORE VARIETY IN VOICES THE BETTER, (IT WILL KEEP THE ENEMY GUESSING; THEY WILL THINK THERE ARE A MILLION OF YOU IF THREE OR FOUR PEOPLE PARTICIPATE - LIBERALS TEND TO BE PARANOID, YOU KNOW!)

LET FREEDOM RING BRINGS TO YOUR AREA A HARD-HITTING, OFTEN SHOCKING PROGRAM THAT IS "ON THE AIR" 24 HOURS A DAY. UNLIKE THE RADIO, YOU KNOW THAT YOUR LISTENERS ARE REALLY LISTENING; IF THEY DIDN'T WANT TO LISTEN, THEY WOULDN'T DIAL. ALSO, UNLIKE THE RADIO OR TELEVISION, YOUR LISTENER DOESN'T MISS THE PROGRAM BECAUSE HE GOT HOME LATE FROM THE OFFICE. HE CAN DIAL AT THREE IN THE AFTERNOON OR THREE IN THE MORNING - ANY DAY OF THE WEEK, AT HIS CONVENIENCE. YOU WILL BE AMAZED AT THE FRANTIC REACTION THAT YOU WILL GET FROM YOUR ENEMIES - THEY WILL HATE IT!

TO ORGANIZE ---

CALL YOUR TELEPHONE COMPANY AND TELL THEM THAT YOU WISH TO INSTALL AN ANSWERING MACHINE IN YOUR HOME. YOU WANT A "MESSAGE ONLY" MACHINE, NOT ONE THAT TAKES MESSAGES FROM THE CALLER, AND IT MUST HAVE A 2 MINUTE TAPE. YOUR LOCAL TELEPHONE COMPANY WILL RENT YOU THIS OR A SIMILAR MACHINE. A MICROPHONE IS SUPPLIED AND THE RECORDINGS ARE MADE DIRECTLY INTO THE MACHINE. NO OTHER EQUIPMENT SUCH AS TAPE RECORDERS OR AMPLIFIERS IS NEEDED.

YOUR BIGGEST PROBLEM WILL PROBABLY BE IN GETTING YOUR MACHINE INSTALLED PROPERLY. IN OUR EXPERIENCE THEY INVARIABLY INSTALL THE WRONG MACHINE, THE WRONG LENGTH OF TAPE OR BOTH.

BE SURE THAT YOU HAVE ADEQUATE FUNDS BEFORE STARTING. THE MINIMUM FUNDING REQUIRED IS THE COST PER MONTH TO RENT YOUR MACHINE. AS YOU BECOME BETTER KNOWN, CONTRIBUTIONS COME A LITTLE EASIER, (BUT NEVER REALLY EASY!).

BE SURE THAT THE TELEPHONE COMPANY ASSIGNS YOU AN "OPEN END" NUMBER. THAT IS, IF YOUR NUMBER FOR YOUR FIRST MACHINE IS 924-2100, YOU WANT 924-2101, 924-2102, ETC. RESERVED FOR FUTURE EXPANSION. YOU WANT AS MANY NUMBERS RESERVED AS YOU THINK THE POTENTIAL OF YOUR AREA DEMANDS.

HAVING AN "OPEN END" NUMBER ENABLES YOU TO ADD MORE MACHINES CONNECTED WITH A "ROTARY SYSTEM" AND REQUIRES THE USE OF ONLY ONE TELEPHONE NUMBER. THAT IS, IF 924-2100 IS BUSY THEN 924-2101 IS ENGAGED AND DELIVERS THE MESSAGE.

ENCLOSED IS A CONTRACT. RETAIN ONE COPY OF IT FOR YOUR FILES AND RETURN THE OTHER TO US. THE CONTRACTUAL AGREEMENT IS NECESSARY FOR A NUMBER OF REASONS. ONE REASON IS TO GIVE OUR HEADQUARTERS SOME FUNDS FOR RATIONAL EXPANSION AND COORDINATION. BUT THE MOST IMPORTANT REASON FOR THE CONTRACT IS TO KEEP THE PROGRAM UNDER INTELLIGENT, HARD-HITTING, CONSERVATIVE CONTROL. A PUSSY-FOOTING CONSERVATIVE (OR WORSE) CAN DESTROY AN ANTI-COMMUNIST EFFORT IN NO TIME. IF YOU WISH TO JOIN US, PLEASE SEND SOME REFERENCES. WE INTEND TO BE CHOOSY AND, ALTHOUGH WE'RE IN A HURRY, WE ARE GOING TO "MAKE HASTE SLOWLY."

ADVERTISING ---

NO MATTER HOW BEAUTIFUL THE SCREAMS OF PAIN FROM THE LEFT WING PRESS, (RESULTING IN HUNDREDS OF DOLLARS OF FREE ADVERTISING), YOU WILL HAVE TO PUT THE NAME CONSTANTLY BEFORE THE PUBLIC AFTER THE INITIAL FLURRY OF INTEREST DIES DOWN. EVEN YOUR STRONGEST SUPPORTERS WILL TAKE YOU FOR GRANTED, AFTER A WHILE, UNLESS YOU REMIND THEM.

ADVERTISING SUGGESTIONS:

- (1) REPRINTS OF ARTICLES FROM HEADQUARTERS WITH YOUR TELEPHONE NUMBER ON THEM. THESE CAN BE PLACED ON COUNTER TOPS, PASSED OUT AT MEETINGS, ETC.
- (2) CALLING CARDS - USE OURS OR MAKE YOUR OWN. WE WILL SELL YOU THESE AT OUR COST.
- (3) WINDOW CARDS IN SYMPATHETIC BUSINESS ESTABLISHMENTS.

THE INITIAL BROADCAST WE SEND YOU WILL BE ESPECIALLY "STRONG," (BUT FACTUAL), IN ORDER TO GET AS MUCH FREE ADVERTISING AS POSSIBLE FROM THE NEWSPAPERS AND BY WORD OF MOUTH. AFTER THE MESSAGE HAS BEEN ON FOR 24 HOURS, HAVE AS MANY PEOPLE AS POSSIBLE CALL THE NEWSPAPERS AND INQUIRE, "WHAT IS IT ALL ABOUT?" "IS WHAT THEY SAY TRUE?" "IS IT LEGAL?" ETC.

WE THEN SUGGEST THAT YOU STEADFASTLY REFUSE TO GIVE INTERVIEWS AND EXPLAIN THAT YOU ARE NOT LOOKING FOR PERSONAL PUBLICITY. IF THEY CONTINUE TO HARASS YOU THEN HAVE THEM SUBMIT QUESTIONS IN WRITING. ANSWER THEM CAREFULLY AND MAKE YOUR ANSWERS EXTREMELY SHORT SO AS TO ALLEVIATE DISTORTION BY THE PRESS. SEE THE BACK PAGE FOR AN EXAMPLE OF HOW WE HANDLED THE PROBLEM AND TURNED THEIR ATTEMPT TO SMEAR US INTO A PROPAGANDA VICTORY.

THE COST ---

THE ANSWERING MACHINE WILL COST ABOUT \$30 A MONTH. THERE WILL PROBABLY BE AN INITIAL INSTALLATION CHARGE. OUR SUBSCRIPTION CHARGE IS \$24 THE FIRST YEAR AND \$12 YEARLY THEREAFTER. THE BROADCASTS ARE AIR MAILED FROM SARASOTA EVERY TUESDAY. IT MUST BE REALIZED THAT YOUR \$12 DONATION EACH YEAR IS ALL OF

FORMER PRESIDENT EISENHOWER HAS RECEIVED SOME UNFAVORABLE PUBLICITY RECENTLY. IF THE AMERICAN PEOPLE KNEW THE REAL EISENHOWER, THEY WOULD NOT BE SURPRISED TO HEAR THAT HE WAS AN INCOMPETENT GENERAL AND THAT HE IS DOING EVERYTHING HE CAN TODAY TO KEEP ANTI-COMMUNIST BARRY GOLDWATER OR ANY OTHER REAL ANTI-COMMUNIST FROM GETTING THE REPUBLICAN PRESIDENTIAL NOMINATION. CONTRARY TO WHAT YOU READ IN THE PRESS, EISENHOWER WILL CONTINUE TO BEND EVERY EFFORT TO STOP GOLDWATER.

DWIGHT DAVID EISENHOWER IS ONE OF THE GREATEST PHONIES EVER PUT OVER ON THE AMERICAN PEOPLE. THE PEOPLE ELECTED EISENHOWER IN REVULSION AGAINST THE TRUMAN SCANDALS AND THE EXPOSURE OF TRAITORS SUCH AS ALGER HISS. BUT WHILE THE PEOPLE SLEPT AND LEFT EVERYTHING TO THE GRINNING "IKE," THE EISENHOWER ADMINISTRATION HELPED THE COMMUNISTS GOBBLE UP VAST QUANTITIES OF THE WORLD, INCLUDING CUBA, AND BLOCKED EVERY SINCERE EFFORT OF PATRIOTS TO CLEAN THE COMMUNISTS OUT OF THE AMERICAN GOVERNMENT.

EISENHOWER TOOK A PERSONAL PART IN THE DESTRUCTION OF SENATOR JOSEPH MC CARTHY. HE PUT THE PRO-COMMUNIST TOADIE EARL WARREN ON THE SUPREME COURT; HE LOOKED THE OTHER WAY WHEN THE HUNGARIAN FREEDOM FIGHTERS APPEALED FOR HELP AND HE ASSURED RUSSIA THAT WE WOULD NOT INTERVENE.

FEW AMERICANS KNOW THAT EISENHOWER WAS THE PRESIDENTIAL CHOICE OF ELEANOR ROOSEVELT, CLAUDE PEPPER AND OTHER LEFT WING RADICALS. EVEN FEWER KNOW THAT EISENHOWER'S BOOK "CRUSADE IN EUROPE" WAS GHOST WRITTEN BY IDENTIFIED COMMUNIST AGENT JOSEPH FELS BARNES.

TO FULLY UNDERSTAND THE PERFIDY AND DECEIT OF DWIGHT EISENHOWER AND MANY OTHER OF THE SO-CALLED MODERATE AND REPUBLICANS, YOU SHOULD READ, "THE POLITICIAN."

HALLOWEEN IS HERE - AND THE GOBLINS ARE OUT IN FULL FORCE. ONE OF THE WORST GOBLINS OF ALL IS UNICEF - THE UNITED NATIONS CHILDREN FUND. THIS UN ORGANIZATION GETS GULLIBLE AMERICAN PARENTS TO HAVE THEIR CHILDREN GO PANHANDLING ON HALLOWEEN FOR THE WORLD WELFARE STATE INSTEAD OF TRADITIONAL AMERICAN TRICK OR TREAT.

HERE ARE SOME COLD FACTS ABOUT UNICEF - THE UNITED NATIONS CHILDREN FUND:

1. \$10 MILLION DOLLARS OF UNICEF MONEY WAS USED BY THE UN IN 1961 TO SUBJUGATE THROUGH FORCE OF ARMS, THE ANTI-COMMUNIST GOVERNMENT OF KATANGA.
2. COMMUNIST YUGOSLAVIA, COMMUNIST POLAND AND RED CHINA RECEIVE HUGE AMOUNTS FROM UNICEF. IN 1960 CUBA RECEIVED \$132,000 FROM INNOCENT AMERICAN CHILDREN THROUGH UNICEF AND LAST YEAR, \$670,000 WAS EARMARKED FOR COMMUNIST ALGERIA.
3. AT LEAST 120 INDIVIDUALS WHO HAVE BEEN CONNECTED WITH UNICEF HAVE HAD COMMUNIST AFFILIATIONS.

LAWRENCE TIMBERS OF THE AMERICAN LEGION ANTI-SUBVERSIVE COMMITTEE SAYS (QUOTE):

"ONE OF THE BEST EXAMPLES OF SUBVERSION IS THAT OF THE CHURCHES OF THIS COUNTRY BEING INJECTED INTO THE UNICEF PROGRAM. SOME MINISTERS AND OTHERS TAKE ISSUE WITH THIS STATEMENT FOR THE REASON THAT THEY AND THEIR CHURCHES HAVE BEEN ACTIVE IN UNICEF HALLOWEEN DRIVES AND THEY DO NOT WANT TO BELIEVE THE TRUTH."
(UNQUOTE)

PROTEST, MR. AND MRS. (YOUR CITY), IF YOUR CHURCH OR SERVICE GROUP IS SUPPORTING THIS FRAUDULENT USE OF AMERICA'S CHILDREN, TO PERVERT A TRADITIONAL AMERICAN HOLIDAY.

BETWEEN HALLOWEEN AND CHRISTMAS, U.N. PROMOTERS WILL BE SELLING CHRISTMAS CARDS FOR UNICEF. REMEMBER, MR. AND MRS. (YOUR CITY), UNICEF MONEY, LIKE SCRAP TO JAPAN, MAY COME BACK TO YOUR CHILDREN FROM THE IRON CURTAIN IN THE FORM OF BULLETS.

WITH THE AWARDING OF THE NOBEL "PEACE" PRIZE TO MARTIN LUTHER KING, JR. IT SHOULD BE OBVIOUS TO EVERYONE THAT THE NOBEL PRIZE IS NOTHING MORE THAN AN INSTRUMENT FOR FURTHERING THE CAUSE OF COMMUNIST WORLD REVOLUTION. THE COMMUNISTS HAVE DIRECTED THEIR FOLLOWERS TO LOOK TO DOCTOR MARTIN LUTHER KING, JR., FOR LEADERSHIP IN THE RACIAL REVOLUTION AND HE HAS UNDOUBTEDLY INSPIRED MORE HATRED BETWEEN THE RACES THAN ANY OTHER TEN MEN.

THE ENORMITY OF THIS INSULT TO THE AMERICAN NEGRO IS REVEALED IN KING'S BACKGROUND, OF WHICH MOST AMERICANS KNOW VERY LITTLE. HE HAS DOZENS OF COMMUNIST-FRONT AFFILIATIONS AND HE HAS BEEN PHOTOGRAPHED IN ATTENDANCE AT A COMMUNIST TRAINING SCHOOL. KING HAS MANY CLOSE ASSOCIATES WITH NOTORIOUS COMMUNIST RECORDS AND ONE OF THEM, BAYARD RUSTIN, IS A SEX PERVERT, DRAFT DODGER, JAIL BIRD AND A FORMER MEMBER OF THE YOUNG COMMUNIST LEAGUE.

ARE WE USING "GUILT BY ASSOCIATION?" YES, WE CERTAINLY ARE DID YOU EVER SEE A PELICAN COHABIT WITH A WOODPECKER? NEITHER DID WE. AND UNTIL WE SIGHT OUR FIRST PELIPECKER, WE WILL MAINTAIN THAT MARTIN LUTHER KING, JR., IS A FAKE HUMANITARIAN WHO IS LEADING THE NEGRO PEOPLE INTO THE ABYSS OF COMMUNISM.

FROM THE MANCHESTER NEW HAMPSHIRE UNION LEADER WE QUOTE: "ARE THE AMERICAN PEOPLE SO BEMUSED BY CIVIL RIGHTS PROPAGANDA THAT THEY ARE NO LONGER WILLING TO SPEAK OUT AGAINST SUCH AFFRONTS TO COMMON DECENCY? OR HAVE THEY BEEN SUFFICIENTLY COWED BY THE CHARGE OF 'BIGOTRY' THAT THEY FEEL THEY DARE NOT SPEAK OUT AGAINST MANIFESTATIONS OF NEGRO RACISM?" (UNQUOTE)

AMERICA WILL SOON BE IN A POSITION OF HOPELESS MILITARY INFERIORITY TO THE BEASTS OF RUSSIA BECAUSE OF DELIBERATE DISARMAMENT BY TRAITORS IN THE JOHNSON ADMINISTRATION. THE NIKE-ZEUS MISSILE, FOR EXAMPLE, WAS JUNKED AFTER HIGHLY SUCCESSFUL TESTS SUPPOSEDLY BECAUSE THE NIKE-X WAS TO BE A BETTER WEAPON. BUT THEN FUNDS WERE DENIED FOR THE PRODUCTION OF NIKE-X. THIS IS NOT ECONOMY: THIS IS NOT STUPIDITY: THIS IS TREASON!

MISSILES ARE NOW POISED IN CUBA FOR A FINAL, FATAL SHOT AT AMERICA'S HEART. YET LYNDON JOHNSON, IN HIS INAUGURAL ADDRESS, DRONED ON ABOUT HIS PHONY WAR ON POVERTY AND PRETENDED THAT THE COMMUNIST THREAT TO AMERICA DID NOT EXIST.

RUNNING APACE WITH THIS DISARMAMENT ON THE NATIONAL LEVEL IS THE PLAN TO DISARM INDIVIDUAL AMERICANS THROUGH COMPULSORY GUN REGISTRATION AND THEN EVENTUAL SEIZURE OF ALL REGISTERED WEAPONS. AFTER THIS IS ACCOMPLISHED, RACE RIOTS, STRIKES, SABOTAGE AND OTHER FORMS OF COMMUNIST-DIRECTED DISORDER WILL BE USED AS AN EXCUSE TO BRING AMERICA UNDER THE HEEL OF A U. N. MILITARY JUNTA.

IF WE ARE DISARMED BOTH NATIONALLY AND AS INDIVIDUALS, IF THE AMERICAN ARMY IS IN THE FAR CORNERS OF THE WORLD, SUPPOSEDLY FIGHTING COMMUNISM, WHO IS TO STOP THE COMMUNIST-DIRECTED U.N. ARMY FROM MOVING IN UNDER THE PRETEXT OF ESTABLISHING LAW AND ORDER? HOW MANY AMERICANS KNOW THAT 30 NATIONS MET IN CANADA LAST JULY IN ORDER TO STREAMLINE THIS MILITARY JUNTA? ONCE A MOROCCAN BANDIT NAMED RAISULI KIDNAPPED AN AMERICAN NAMED PERDICARIS. A VIRILE AND PROUD AMERICA ROSE UP AND SAID, "PERDICARIS ALIVE OR RAISULI DEAD!" TODAY THE NAMES ARE DIFFERENT - CARLSON AND GBENYE - THE SITUATION IS THE SAME. BUT SOMETHING ELSE IS DIFFERENT. THE AMERICAN VIRILITY AND COURAGE ARE GONE AND, INSTEAD OF SAYING "CARLSON ALIVE OR GBENYE DEAD," OUR DEGENERATE AND COWARDLY STATE DEPARTMENT WENT TO ITS KNEES AND PLEADED WITH A RED CANNIBAL NAMED KENYATTA TO INTERCEDE FOR US.

IN A SENSE, DR. PAUL CARLSON WAS A FRAUD. HIS PATIENTS UNDOUBTEDLY THOUGHT THAT ALL AMERICANS WERE LIKE HIM - DEDICATED AND UNAFRAID. BUT THEY WERE WRONG. AN AMERICA, PARALYZED WITH WEALTH AND DRUGGED WITH CHEAP TELEVISION WILL DO NOTHING TO AVENGE HIS DEATH.

THE NAME CARLSON HAS LEFT THE NEWSPAPER FRONT PAGE TO BE REPLACED BY THE NAME KING -- THE NAME OF A NOTORIOUS RACKETEER AND COMMUNIST-FRONTER WHO HAS RECEIVED THE NOBEL PEACE PRIZE. ONE MAN WHO HATES AND ONE WHO LOVES: THE ONE WHO LOVES HIS BLACK BROTHER IS SHOT IN THE HEAD BY A COMMUNIST: THE ONE WHO HATES HIS WHITE BROTHER AND SUPPORTS THESE COMMUNISTS IS GIVEN A PEACE PRIZE AND \$50,000.

BUT, SAYS THE EMASCULATED AMERICAN, IT WAS AN ACCIDENT. CARLSON WASN'T EXECUTED OFFICIALLY, YOU KNOW. HE WAS ACCIDENTALLY SHOT BY AN ACCIDENTAL BULLET FROM AN ACCIDENTAL, AMERICAN-FINANCED GUN AND THE TRIGGER WAS PULLED, ACCIDENTALLY OF COURSE, BY A COMMUNIST REBEL.

PRESIDENT KENNEDY WAS ALSO SHOT IN THE HEAD BY A COMMUNIST REBEL AND AMERICA DID NOTHING TO AVENGE HIS DEATH. SO WHO WILL AVENGE A SIMPLE MISSIONARY? HE WAS ONLY AN AMERICAN - AN AMERICAN DOCTOR - AN AMERICAN CHRISTIAN. WHO CARES? AMERICA MUST REGAIN THE COURAGE OF ITS FOREFATHERS OR THE DEADLY BATTLE WITH COMMUNISM WILL SURELY BE LOST.

The Newark Evening News did it all for us on its front page. See the enclosed clippings. It's the first real breakthrough we've had. Our friend [redacted] really "mothered" the thing up here. She got the idea from an Editor friend in Georgia, who thought New Jersey might be able to give the opposition the scare of their little "party-line" lives, and we sure did. The lines were so busy after the newspaper story that [redacted] had to have three more machines installed to handle the calls. CONGRESSIONAL RECORD — APPENDIX

August 20, 1964

men and nations, have been much concerned with massive force and massive struggles.

But I hope that your experiences and your observations have instilled into you a new and lasting faith in the fact that is paramount.

On this earth, there is no force so strong, none so powerful, none so finally decisive as the influence for good or evil of the committed man or the committed woman.

The course of this Nation, the contest of this world, will finally be decided not by the force of the atom, not by the strength of arms, not by the weight of industrial production.

The future will finally fall to those that are most committed to their cause.

I know there are those who say of your generation that you are apathetic, that you are indifferent, that you are cold, hard, unfeeling and uncaring security chasers seeking only a sports car, a split level and an annuity.

Well, this I do not believe.

I know there are those who consider it correct to play it cool—right to remain reserved—not good form to show great faith.

But for myself, I believe that this generation of young Americans is a committed generation, anxious and asking to be permitted to fulfill that commitment.

Where other generations of Americans have had a rendezvous with war, I believe that your generation, God willing, will keep a rendezvous with peace.

Whether at home or far away, I believe it will be your destiny to fight wars men have never fought before—wars against poverty, wars against disease, against illiteracy, against discrimination, against all those things which blight the lives and the hopes of our fellow man.

As you are committed, I want you to know that your President is committed, too—committed to the future and not to the past, because we live in an age when the times men know in their youth are old history before men themselves have grown old.

The times of my generation's youth are old history now.

I came here—I was schooled here—in exciting and memorable years of our national history. None who ever knew those times can ever really forget them.

Your generation has no memory as mine does of Franklin Roosevelt and the New Deal. Your generation did not know—and I pray never will know—the great depressions and the experience of the great recovery.

With due respect but without regret, we leave behind 1934 and turn to work for the promise of 1964, for the answers of the Roosevelt years and the answers of the Coolidge years—the answers of the Wilson and McKinley years do not serve as replies to the questions of our age or the answers of our time or the replies to today.

No man of our times understood this so well as John Fitzgerald Kennedy. He understood as we must all understand that in these times the Government of the United States must be lean and trim and not large and soft. He understood that power must be

victory of prosperity over poverty—toward the victory of human rights over human wrongs—toward the victory of enlightened minds over darkness.

Thomas Wolfe has written: "The true discovery of America is before us . . . the true fulfillment of our spirit, of our people, of our mighty land is yet to come."

Come give us what youth alone can give us, and together let us make that discovery. Thank you for coming here.

Renounce Hate Messages

EXTENSION OF REMARKS

OF

HON. HERMAN TOLL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, August 20, 1964

Mr. TOLL. Mr. Speaker, under leave to extend my remarks I include a thought-provoking broadcast editorial on WCAU radio, in Philadelphia, on August 14, 1964:

RENOUNCE HATE MESSAGES

There's a vicious hate campaign going on in Philadelphia and across the Nation today. WCAU radio believes it has a duty to bring this revolting truth to its listeners.

As usual in such cases, the perpetrators of an attempt to rouse the basest instincts in man do so under the guise of patriotism. And as usual, under the cloak of secrecy.

They call themselves "Let Freedom Ring." The hatemongers circulate by word of mouth a telephone number on a Philadelphia exchange. Persons are asked, even tricked, into phoning the number. What they hear at the other end is a shocking appeal to racists . . . an attempt to whip the so-called white backlash into a frenzy.

They use suggestion, innuendo, half-truth mixed with a smattering of truth. The voice which answers the phone says "Let freedom ring," then proceeds to denounce free people.

It charges the National Council of Churches is arming Negroes in a conspiracy with communists . . . with bloody revolution as their goal. The anonymous voice also says, and we quote:

"We urge our listeners to purchase a rifle or pistol for home defense." The message continues: "We are not promoting insurrection as does the National Council of Churches."

Another message says, and we quote again: "It's likely that those three civil rights workers in Mississippi were kidnaped and murdered by their own kind to drum up sympathy for their cause." It talks of Communist errand boys in the White House.

For the benefit of those who might have just tuned in, those are quotes from messages being sent out anonymously over telephone lines . . . not the opinion of this

company is allowing this hate talk to go on in a manner prescribed by law.

But Chief Justice Oliver Wendell Holmes held that freedom of speech does not give permission to cry a false fire alarm in a crowded theatre. WCAU believes that such hate messages, at a time when the Nation is trying to grapple constructively with the problem of human rights, are feeding the fires of race hatred and possible violence. And we call upon all decent people to renounce such tactics by the undercover racists and hatemongers.

LAWS RELATIVE TO THE PRINTING OF DOCUMENTS

Either House may order the printing of a document not already provided for by law, but only when the same shall be accompanied by an estimate from the Public Printer as to the probable cost thereof. Any executive department, bureau, board or independent office of the Government submitting reports or documents in response to inquiries from Congress shall submit therewith an estimate of the probable cost of printing the usual number. Nothing in this section relating to estimates shall apply to reports or documents not exceeding 50 pages (U.S. Code, title 44, sec. 140, p. 1938).

Resolutions for printing extra copies, when presented to either House, shall be referred immediately to the Committee on House Administration of the House of Representatives or the Committee on Rules and Administration of the Senate, who, in making their report, shall give the probable cost of the proposed printing upon the estimate of the Public Printer, and no extra copies shall be printed before such committee has reported (U.S. Code, title 44, sec. 183, p. 1937).

LET FREEDOM RING!

THE INDEPENDENT AMERICAN recommends a remarkably simple method of breaking through the communications barrier which is being sparked by Dr. W.C. Douglass of Sarasota, Florida.

Here is how it works:

A phone number is assigned to a local organization under the name of "Let Freedom Ring". Individuals are invited to pick up the telephone and dial the number which is advertised in the newspaper and passed along by word of mouth. Short patriotic messages are recorded into an answering machine which costs from \$25.00 to \$45.00 a month. The patriotic messages are supplied by the parent organization Let Freedom Ring, Inc., P. O. Box 645, Sarasota, Florida. It costs only \$24.00 a year to subscribe to this remarkable patriotic service. The messages are changed each week and are in harmony with the patriotic action movements of the country, thus contributing to the overall effectiveness of the American patriotic network.

At the present time, Let Freedom Ring has outlets in Baltimore,

references, which will be checked, to Dr. W.C. Douglass at the above address. Below we reproduce Message #116 dated November 10 for use during the week of November 15 to 21:

WHO IS THIS MAN?

A well-known political figure was once considered by his party as their candidate for president, but he was rejected. Four years later, because of his stand for government frugality, state's rights, and less central power, he was nominated by his party for the Presidency of the United States.

He was from a State that had been, until recently, on America's frontier. He was financially well-off, having inherited property from his father. He had a lot of gadgets in his home and the opposition ridiculed his hobbies.

Because of his stand for limited government, he was immediately branded as a fanatic. A former cabinet member said: "His politics are tinged with fanaticism, and we have everything to fear if

FBI IS CHECKING

Phone Message Blasts JFK

There was a telephone number Sunday that was kept very busy, a number that, when dialed, brought a taped message that blasted President Kennedy and implied he was guilty of treason.

The message's vitriol centered upon what it claims are the Kennedy administration's plans to supply economic aid to Premier Ahmed Ben Bella of Algeria, which it claimed would be used by Ben Bella to spread communism throughout African countries.

It termed the premier a "communist butcher" who had sworn "eternal allegiance" to the "communist Russian tyranny" in Cuba. And it wound up with this statement:

"How long will the American people put up with treason right in the White House itself? How long before the American people demand the impeachment of John F. Kennedy?"

Ben Bella visited Kennedy in

the White House last week and immediately afterward flew to Cuba for a session with Castro.

The telephone number—924-5455—began with the phrase: "Let freedom ring . . ." And it wound up the same way.

News of the message spread somewhat like wildfire through the city: police, sheriff's office and newspaper received telephone calls from inquisitive residents, trying to find out what it all meant.

One thing appeared certain: it was not linked to Project Alert. Vice Adm. Walter G. Schindler (USN, Ret.), stated emphatically that it was not connected in any way with that organization, of which he was the founder and is now a director.

The sheriff's office said that Sheriff Ross Boyer had been apprised of the taped message and had passed the information on to the FBI in Tampa.

When the FBI office was contacted by the Herald-Tribune, it

said that it was checking in to it but did not expect to have any information until today.

"Let Freedom Ring" has a listing with the General Telephone Co. office here, and one can obtain the 924-5455 number for it by simply asking the information operator.

The address is listed as 6016 Point of Rocks Rd.

The message begins like this:

"Let freedom ring . . . Recently the President of the United States treated as an honored guest the communist butcher from communist Algeria, Ben Bella. Soon after this visit this communist butcher proceeded to Cuba where he swore eternal allegiance to the communist Russian tyranny. The Kennedy administration is prepared to stop massive economic aid to the present Algerian government to ensure that revolutionary government's survival.

"It should be noted that while the United States will be bolster-

ing up the anti-Western Algerian government with food and funds, the Soviet Union will be supplying the arms.

Fifteen Soviet MIG jet fighters are due to arrive this month in Algeria with trained flying and ground crews of 250 men . . .

The message goes on to say that Ben Bella's government has established the "closest revolutionary solidarity with Cuba," and is sending Communist guerrillas there to train terrorists for action in Central and South America and also in the United States.

The message is believed to have been taped on an "Electronic Secretary," a device which the telephone company itself sells, primarily for businessmen who wish to leave instructions for callers when they are out of town.

The strong tone of the message in regard to Kennedy evoked speculation as to its legality—in respect to libel laws.

The FBI in Tampa would not comment on this.

Let It Ring!

Dear Editor:

Let freedom ring! Why should any American object to the messages being brought to the public by a courageous young doctor who is not afraid to speak out in behalf of his country?

Yet there are many who convey the impression, either by word or innuendo, that there is something sinister or at least a little queer in the "Let Freedom Ring" recordings.

This young doctor is not alone in being persecuted because of his patriotism. An unheeding hostile America broke the heart of Joe McCarthy when he tried to make it aware of Communist infiltration in high government places; the prosecution of a despicable traitor in the State Department meant political suicide to Richard Nixon. And a long time before that, Nathan Hale died the ignominious death of a spy for his beloved country.

Instead of trying to find a questionable "angle" behind the "Let Freedom Ring" recordings, Sarasota — and America — would do well to listen. Listen and wake up! Let freedom ring!

'Let Freedom Ring' Mystery Partially Solved

By LEE METCALF

The mystery surrounding a local telephone number listed as "Let Freedom Ring" was partially lifted Thursday.

The telephone number, which responds to dialing with taped political messages, apparently belongs to Dr. William C. Douglass.

(Signed) "Let Freedom Ring."

The questions and answers are as follows.

1. Since this is a program to promote Americanism, why does it seem to be no reason for treachery. Why has no sponsoring person or group been announced?

Answer: Why should there be?

one of them attacked the Kennedy administration for what it claimed were plans to supply economic aid to Premier Ahmed Ben Bella of Algeria and concluded with the questions:

On 9/8/65 [REDACTED] Anti-Defamation League, B'nai B'rith, advised that the previous week the ADL nationally filed a complaint with the Federal Communications Commission against the telephone company asking that the phone company be restrained from carrying "Let Freedom Ring". It is charged that the company is granting services to "Let Freedom Ring" thereby carrying libelous and inflammatory messages. FCC was asked to require the company (s) to amend its (their) tariff to refuse service to Let Freedom Ring.

Anti-Defamation Unit Seeks Order to Unveil 'Smear Call' Sources

The Anti-Defamation League of B'nai B'rith plans to ask the State Public Utility Commission to adopt new rules to deny anonymity for backers of "Let Freedom Ring" the rightist telephone message service.

The recorded talks regularly smear as "Communist" a wide spectrum of American officialdom. Its targets have included Presidents Eisenhower, Kennedy and Johnson, and civil rights, poverty and disarmament programs.

However, the peals of "Let Freedom Ring" don't reveal who is tolling the bell. And ADL thinks that persons with such "defamatory opinions" should be required to identify themselves.

REQUEST TO PUC

Papers being drafted by David Berger, former City Solicitor and chairman of ADL's metropolitan Philadelphia advisory board, would ask the PUC to require that:

—Recorded messages discussing public affairs or attacking individuals, groups and institutions must disclose in the message the name and address of the sponsor.

—The tape recorded message be deposited with the telephone company and made available to inquirers.

—The sponsor, as an alternative, list his name and address with the phone company, such information to be available upon request.

BOUGHT FCC CURBS

ADL earlier this month launched a national attack on

which have been publicized by word of mouth. Last October The Inquirer revealed that John Birch Society members wrote and recorded the tapes, and also rented the post-office box through which listeners ordered transcripts.

Bell Telephone Co. of Pennsylvania officials said then that anyone can use the automatic announcement service "so long as he pays the tariff," and that as a public utility Bell must provide facilities to any applicants.

ASKED RULE CHANGE

The national ADL asked the FCC to require telephone companies to amend their regulations to oblige them to refuse messages containing defamatory statements, known to be spurious, or when the sender is acting "in bad faith and for the purpose of traducing another."

Plans of the local ADL branch were revealed by Berger and Samuel Lewis Gaber, regional director. Berger termed "Let Freedom Ring" a "rank violation of freedom of speech," and called it "vicious right-wing propaganda."

"Let Freedom Ring" has outlets in more than 30 cities. It was conceived by Dr. William Campbell Douglass, a physician in Sarasota, Fla., who is a Birch member.

3 Officials Back Drive To Oust Police Board

D'Ortona Also Voices His Support

Three city officials have signed petitions calling for immediate abolition of the city's Police Advisory Board.

Petitions have been circulated by an organization which a spokesman described as "connected in some way or other" with the John Birch Society. Signatories include District Attorney James C. Crumlish, the city's chief law enforcement officer, and Councilmen David Silver and Virginia Knauer.

Crumlish and Mrs. Knauer said they added their signatures last Saturday following a parade on Frankford ave. staged by Citizens Opposed to Pornography.

They insist they all had signed "with reservations."

The three officials participated in the COP parade and, at its climax, spoke out against distribution of smut in Philadelphia.

Eugene Pawlowic, Philadelphia coordinator for the Birch Society, said later the committee has "ties" with the organization, but he did not elaborate.

He also said he recorded the speeches for possible replay by Let Freedom Ring, whose messages were recently called slanderous by the Anti-Defamation League.

400 MEMBERS CLAIMED

According to a Birch Society spokesman, there are some 400 members living in the Delaware county-Main line area. From Chester to Bala-Cynwyd and from Villanova to Drexel Hill, Society members meet monthly in their living rooms.

The society does not release exact membership totals, beyond estimating its nation-wide figure at 100,000. But East Coast public relations manager Tom Davis says there are chapters in at least 20 communities in the suburbs west of Philadelphia, and some have more than one chapter.

Each chapter has 15 to 20 members.

Davis ticked off the following locales as having chapters: Media, Springfield, Chester, Swarthmore, Villanova, Ardmore, Bryn Mawr, Haverford, Bala-Cynwyd, Paoli, Norristown, Malvern, Narberth, Drexel Hill, Lansdowne, Collingdale, Darby, Yeadon, Prospect Park and Ridley Park.

"We've found that our heaviest concentration of members

is in the suburbs around the large cities," Davis said. "Maybe it's because, when people own their own homes, it's easier to become involved. They have a place to hold meetings."

"At any rate, most of the people in the society own their own homes."

Davis said some Delaware county policemen are society members.

"That's partially because one of our main projects is to re-establish support for local police," he said.

"But Mayor Tate helped us when he took a stand against Birch Society members in the police force. He created curiosity among policemen in the Philadelphia area, and helped increase our membership."

Chief recruiter in Philadelphia suburbs is William Obert, who lives at 6502 Newtown ave. in Philadelphia. Obert is society director for Southeastern Pennsylvania.

Davis said the society is not involved in any local issues in Delaware county or on the Main Line.

"The society is a National group, with no local policies," he said.

NOT INFORMED

Crumlish, facing a re-election challenge from Republican candidate Arlen Specter, said Wednesday he knew virtually nothing about the police support committee, commenting that "I am a little naive about these things."

CHANGE CONSIDERED

He added that if the court holds the continued existence of the body, he "hopes there will be discussions on how it can be altered as to makeup and procedure."

As to the taping of his speech—which contained castigations of the Supreme Court for apparently lacking sufficient zeal against pornography—he said he would be "worried if they (the Let Freedom Ring group) clip my remarks . . . and use them out of context."

The District Attorney commented that it is "a good question" as to whether permission of the speaker is required before his words can be used.

Mrs. Knauer, an at-large Republican councilman, said that although she, too, had reservations about signing, she did so with the belief of the board is hurting police morale.

"Police Department morale needs boosting, especially since it is recruiting for new members," she said, adding that the board's existence is not strengthening these efforts.

"Besides," she said, "the old trial board (which was replaced by the present panel) was more stringent than the advisory board . . . its sentences were stiffer."

But, Mrs. Knauer added, she signed the petition with the reservation she believes there should be some mechanism for "guarding the civil rights of citizens."

D'ORTONA SYMPATHIZER

Councilman Silver, on the other hand, indicated he had no qualms about putting his name on the document, asserting that "there is no need for the board . . . they don't know anything about police work and procedures."

Another council member—Council President Paul D'Ortona—expressed essentially similar views Wednesday.

"I'd have to agree with Mr. Harrington," the Democratic lawmaker said, referring to John J. Harrington, president of the Fraternal Order of Police.

D'Ortona asserted that the board, in calling policemen to answer charges brought by citizens, "harasses" the officers and interferes with their duties.

He also said "something" should be done to "punish" those whose charges are ruled unfounded by the board, noting the courts hold people responsible for bringing false information.

D'Ortona, who at the last moment sent word that pressing

matters prevented him from participating in the parade, said he knew little about the Committee to Support Your Local Police other than that it is opposed to the advisory board.

Secondly, there was a terminology used, The Radical Right, or, The Extreme Right. I don't accept this either. I don't accept it on the basis of the fact that the Constitution of the UNITED STATES is still the law of the land, despite all of the attacks upon it, and that those who would profess and attempt to preserve the Constitution of the UNITED STATES are therefore in keeping with the traditions of the concept of AMERICA could only be considered the Right-wing Extremists.

[redacted] Well, I note during the course of the past week there has been a considerable mention made of, LET FREEDOM RING, and, as a matter of fact, the Anti-defamation unit of B'NAI B'RITH, I believe they have asked the State Public Utilities Commission to adopt a new rule to deny anonymity of the backers of LET FREEDOM RING. And I note that the INQUIRER of the 26th of September, in publishing this story, calls the LET FREEDOM RING the Rightist Telephone Message Service. It says that the recorded talk regularly smears communists and a wide spectrum of American Officialdom. Its targets, for instance, according to the INQUIRER, have included Presidents EISENHOWER, KENNEDY, and JOHNSON. They have attacked Civil Rights, Poverty, and Disarmament Programs. However, the peels of LET FREEDOM RING don't reveal who is tolling the bells. Now, of course, Ladies and gentlemen, the INQUIRER may not know who is tolling the bell. But the man who tolls the bell is here with me tonight in the person of [redacted]. Now, I want to add also that the DAILY NEWS of September 28th--that's two days later--came forth with an editorial in which they were actually commending the Anti-defamation League of B'NAI B'RITH as performing a public service in its campaign to persuade the State Public Utilities Commission to adopt the regulation that I mentioned. Now, in the editorial in the DAILY NEWS, it stated that the principal target of the effort is the LET FREEDOM RING messages of the Far Right that warn of communist influence in nearly every phase of American life except possibly among the DAUGHTERS OF THE AMERICAN REVOLUTION.

And of course, when they say, these reckless accusers, they are talking about you, should be able to identify those responsible so that they could seek legal redress. Now, what is your opinion of the attitude that is being taken by the Anti-defamation League? And what is your opinion of the editorial that appeared--I'm sure you saw it--

[REDACTED] Uh huh (meaning, yes)

In the DAILY NEWS.

Well, [REDACTED] I would first like to say that LET FREEDOM RING has never called anyone a Communist. And I would challenge anyone to prove this. Secondly, there was a reference made that the JOHN BIRCH SOCIETY using LET FREEDOM RING messages. I might also add that to my knowledge many conservative groups use LET FREEDOM RING messages. Many groups, as you know, of course, that the Left Ring also uses its own publications, its own methods. In other words, each group would more or less tend to work hand-in-hand with other groups to a certain extent. Whereas, they would have inter-changeable literature, or pamphlets, or facilities that they might use. So, I say there is nothing rare about the JOHN BIRCH SOCIETY using LET FREEDOM RING messages. I might also say that the Christian Anti-Communist Crusade literature is used on the JOHN BIRCH SOCIETY. And no doubt that the

FREEDOM RING, and I consider this a direct attempt to curtail Freedom of Speech, and by this I mean that this is a curtailment of Freedom of Speech pertaining to the privacy of a private phone call. Now, let me explain if I might. LET FREEDOM RING is a mechanical operation. Now, the only way you can get LET FREEDOM RING, the only way you can get the message, is that you, yourself, of your own free will, dial this message. Then this message is activated by the individual who calls. That is to say, it is not like a radio or television set where it is on twenty-four hours a day continuously. This mechanism is only activated by an individual who wants to hear it. Now, this is no different than calling into a doctor's answering service, or having the recording played back. You, yourself, have activated this message in other words. And an attempt to curtail this, in my eyes, is a direct attempt to curtail freedom of speech. Well, of course, the A.D.L. has accused LET FREEDOM RING of twisting

b6

Well, of course, the A.D.L. has accused LET FREEDOM RING of twisting facts, telling lies about people, using scare tactics, for instance. They say that all is a part of the unique radical right propaganda operation that is known as LET FREEDOM RING. Do you feel that you do twist the facts; that you do lie?

The Anti-defamation League has made an accusation that we have twisted the facts. I would like to challenge them to point out specifically what facts we have twisted, and to prove that they are twisted. Now, they made the allegations, but they have not pinpointed anything specifically.

-- I imagine -- I've never heard you keep quiet so long in all my life. I know that you must have something to say. And before you say it I'll remind my friends now with the radio (commercial here). Now, we will have the Left side of our program, ladies and gentlemen, in the person of

Anti-defamation's interest in LET FREEDOM RING, I think a week ago last night on the radio, I heard, I think it was MR. BERGER being interviewed by way of the ... phone. And I got the impression - I may have been wrong - that he was going to go further than trying to get rid of the anonymity of the people who were heard on LET FREEDOM RING. I got the idea that he was going to try to get it off, which I would be opposed to very vehemently, being a fighter for freedom of speech. As far as this business of let's make them known, I found, [redacted] --I'm not a detective. I don't have a detective agency at my disposal--he's not that, all that difficult to find. And it really doesn't make that much difference who he is himself, because it is the ideas that matter. However, should he say something that is slanderous, or libelous, I think--I don't know if he has a Box Number. And I don't know if right now you couldn't write to that Box Number and get in touch with him if you wished. If he says something that you feel you want to sue him about, I think--I may be wrong. And here I would say that there should be some law that if anybody says anything libelous about anyone else, they should be held libel, should be made open to face possible litigation, and that much I would go along with--But the Anti-defamation League, I think, could do a lot better service to all kinds of people, worrying about things like we should have a group libel law, which would put the KU KLUX KLAN, and all Hate Groups out of business immediately. If it were against the law to libel groups of people as it is against the law to libel individuals, we would get some fast action getting rid of the hate mongers. However, the Anti-defamation League opposes the group libel law because it would put them out of business also, which would mean the end of some pretty good salaries up there in the Anti-defamation League office. So, I'm not particularly concerned about the Anti-defamation League. All they've ever succeeded in doing is knocking people out of work. We read recently of the great comedian, Step In Fetchit, who had to go to a charity hospital; ah, people like [redacted]

Memo, SAC, dtd 10-7-65, 157-1193, []

[] (cont'd.)

[] out in the West Coast is still circulating his hatred. So, I wish the A.D.L. would just shut up. Now, getting to the "fear" thing. Now, here I have to agree with, when they say a message of fear, [] says that his message tonight is not a message of fear. It is just about the Minimum Wage. But it is a message of fear. He is saying on his message tonight that if we get this Minimum Wage Law, and we raise wages to a dollar and seventy-five cents an hour, people are going to lose their jobs. People who are now working at a dollar and a quarter an hour are going to lose out and they are not going to get anything. That's fear. They are putting these people in fear of losing their jobs. And I say this, a dollar and a quarter an hour, an eight hour day, a five-day week, this comes out to fifty dollars a week. And I don't think anyone should work for fifty dollars a week. I think that if there is one person in the UNITED STATES OF AMERICAN working for fifty dollars a week, for forty hours a week, then this country has to hang its head in shame. A country as wealthy as this one, a country as equipped to produce all that this country can produce, paying people a dollar and a quarter an hour, for any type of labor, is heinous. That's horrible. And this is frightening. And I don't know why [] wants to frighten people away from a dollar seventy-five an hour. I don't know why [] wants people to be frightened of automation. Automation can be a great blessing. Automation can fix it so that we can all have more time to spend with our kids and our families, and spend more time enjoying life instead of dragging our weary carcasses through a long, long day of labor and trial, and then coming home and falling asleep on the couch. And, ah, [] is afraid of a lot of things. He's afraid of Communism. Communists are coming out of the woodwork. They are under the beds. And I just can't be as afraid of all these things as [] is. And I do think that it is many times a message of fear. And I do think, [] that many times your messages are irresponsible. I know you had one about me that was filled with inaccuracies. And, fortunately, one phone call to you straightened the whole thing out. But these things do

Memo, SAC, dtd 10-7-65, 157-1193, S.E. []

[] I think I can. I think I've got him right on the brink.

Ah, [] let's get back to what you said on the Minimum Wage Law. Now, you had said that this was a message of fear. Well, I don't consider it a message of fear. I consider it a message of reason and logic. Let me summarize it. Let me cite a specific example. If you have a small retail store. Now, perhaps, you need some extra help. So, you go out and you employ five, six people at a dollar and a quarter an hour, because this is what you can afford to do to give you a hand around the store. Now, you get a new Minimum Wage Law passed for a dollar seventy-five. This guy can no longer afford to pay six people. What does he do? He has to lay off a couple of people. So, as a result, three things suffer. Number One, he's got less help. Number Two, two people are out of jobs. So, this is not a message of fear. This is a message of simple reasoning.

b6
b7C

[] No. It is a message of fear because you are overlooking the fact that nobody needs, or should work, for that low a wage in this country today. Anybody who works for fifty dollars a week must enjoy his work tremendously, because he is not getting much out of life on that type of salary. This is, ah, I remember talking to a small businessman last year about this time in NEW ORLEANS, and he was complaining because he could not get young men to work for him at fifty dollars a week. And I told him I'd never let my son work for him at fifty dollars a week. What can you do on that? Can you raise a family? Can you get married? What can a young man do on that kind of money? He can get off work on Saturday night, or Friday night, and go to the nearest bar and booze. If a businessman cannot afford to pay his help a decent wage, - and a dollar and a quarter an hour is anything but a decent wage - he should get out of business, and work for somebody else. This is this precious capitalistic system that you are all so fired up and in favor of, [] If you can't cut the mustard, put down the knife. And anybody who cannot pay a dollar and seventy-five cents an hour, and that still is not

Memo, SAC, dtd 10-7-65, 157-1193, S.E. []

[] Well, [] just stated along the lines of the Minimum Wage Law. Let's draw this out a little bit further. He stated where no one should be required to work for a dollar and a quarter an hour; that there should be a dollar seventy-five an hour. And I'm wondering if [] realizes that this creates--in the long run, were this to be expanded on a broad base where continual raises exceed the product, and the profit of a business enterprise-- this only creates inflation, and you only create a vicious circle. If a man gets paid more, the man who employs him as a result is forced either to take a lower profit to reinvest into his business, or he must raise his prices. So, who gets hurt in the end but the very man who got the raise because he is going to have to pay a higher price for the product. Other factors involving the Minimum Wage are qualifications for jobs; education for jobs. All jobs are not the same. I think we realize that. I don't believe that a man who does not have the education to be an engineer, as an example, should draw the salary of an engineer, or now~~where~~ near it, nowhere near that particular type of salary. And this is the fallacy of the Left Wing where they believe in this equalization. And you cannot equalize in a free society on a free economy. b6 b7C

[] Well, see, that's where I have to straighten you fellows out. I have to make you fellows realize that as long as we have this system called Capitalism we will never have a free economy, and will never have a free society. And your remark about the engineer tickles me, because this is one of the things that I have been pounding on, and people always agree with me. Once I get you to agree with me on this point, [] you'll be on your way over to the Left side where you should have been all along. And that is simply this. I tell this story. And it's a true story. I took a walk to work one day --I have worked from time to time, believe it or not --took a walk to work one day, and I crossed a bridge. And on that bridge there was a man hanging by a rope, not by the neck, but two ropes on a little chair, and he was swinging back and forth in the wind, and in the breeze, and he was painting that bridge. And I thought

Memo, SAC, dtd 10-7-65, 157-1193, S.E.

(cont'd.)

Is dispensable in our society is sadly mistaken. We need our men to pick up the garbage. We need our men - I remember when I was a kid in school, a guy used to come out and walk through the window and hang by a belt, and wipe the windows - we need these fellows. They work hard. And their work is necessary. And the truck drivers, when they went out on strike last Summer, we found out how much we needed them. The geniuses who were their bosses could not do without them. And I don't know if I could ever ~~earn~~ earn a living driving a truck, pushing those big monsters around on the highway day and night. I don't know if you could do it, I think that every job in this society needs to be done. It has to be done. With the advent of automation we need fewer and fewer people to do these jobs-- and this should be looked upon as a blessing, not a curse -- it's only under the capitalistic system that we need fear automation. It is only under the capitalistic system that we have to worry about giving the fellow that works a better deal; and therefore the price is going to go up, or the profit is going to go down. All this would be unnecessary in a sane and sensible social system where we produce for the benefit of all instead for the benefit of a few. It is only the capitalist system that causes this situation to exist. I agree with you. You have the inflation problem under Capitalism. b6
b7c

Well, to begin with, no one stated that no one is not needed. By the same token I'd like to draw a little parallel. You made the statement about the engineer on the bridge. Everything is an idea first before it can be produced into a reality. As a consequence, had it not been for the engineer, who visualized this bridge in his mind, then designed it on paper, then offered it to other men who would labor at it physically to produce this bridge, this man, whom you saw hanging would not have had a job in the first place.

Well, he would not have had to hang from the bridge. Let's put it that way.

Memo, SAC, dted 10-7-65, 157-1193, S.E. []

[] The intelligence, maybe; but maybe not the "guts". You know--and let's not talk so much about intelligence and paint brushes not being so-- ah, I have an I. Q. I don't want to brag, but I have an I.Q. of 152. And they tell me that is pretty high. Well, one day last Summer I went out to change a tire on my car. Hah! And I'm pushing that lug wrench, and pushing it. And I figured you turn it to the right to tighten it. You turn it to the left to take it off. And I'm pushing it. And I'm pretty strong too, I'm physically strong. And I've got that poor lug wrench all twisted out of shape. And I'm sweating, and it is hours. And I call up the place that put the tire on and I'm bawling them out and screaming. And finally somebody comes along and says you always turn it to the back of the car, see. And this was it. So, the big genius did not know how to get a tire off of an automobile. So, you see, we all have - I could never, with my I.Q., you know what you could do with it when it comes to hanging by--I get dizzy when I'm on the elevator, you know, at 8th and Market. I don't like to look out of the upper window of my house. And there are things that I can do. There are things that I cannot do. And I don't know how many engineers you will find (tape garbled here) physical impossibility. The guy cannot sit at the desk, draw up the design for the bridge, create the bridge, then oversee its construction, and then sit around and paint bridges for the rest of his life. [] could be a very good man at the microphone, but what is he going to do without that engineer sitting in there? He's lost without him. Ah, what is he going to do without the telephone, and the guy who stood in the assembly line and helped put that telephone together? We cannot do without any part of our society.

b6
b7C

[] Absolutely! And nobody has stated that we can. But there is a factor that remains. That had it not been for the original idea which produced these mechanisms, these electronic wonders, these gentlemen would not now be employed in that capacity. And this is what you fail to seem to realize.

(cont'd) Ah, the man who had the idea [redacted] to begin with, now, we will stick with the engineer because you specifically cited the engineer.

Well, let's not stick with it too long.

No, all right.

Because I got a lot of things I want to clear up with you and your Right-wing ideas.

All right. Very good. That's all right. But the man who had the idea had to visualize. And in order to visualize he had to put it down on paper. Now, this is what could be the unfinished product.

b6

We are wasting time, because I don't disagree with you for a moment. I'm just accusing you for following a short-sighted Right-wing reasoning. You only see one side of a thing. You only see one side of an argument. Furthermore, you are taking the assumption, you are going on the [redacted] idea that all those who have talent, all those who have ability, what you consider talent, what you consider ability; that all those with high I.Q.'s will find their niche in life, and be rewarded, and so forth. And, of course, this is not true. If it were true, it would be highly immoral. Under no circumstances can it be excused. You find there are young men listening to us now who are just not college material. They may be very intelligent. Academic ability and history has proven this. Academic ability is no guarantee of practical ability.

Pass on wealth, a society which allows wealth to be inherited, we also have a system where poverty is forced on people. Just as the rich man is allowed to pass on his wealth to his children who may be morons, and who may neither have the ability to design a bridge or paint the bridge, they will still live a life of luxury, a life of ease, and probably, the way things are going today, end up as the Governor of Pennsylvania, or New York, or maybe the President of the United States, or maybe, at the age of thirty with no experience of doing anything, become a United States Senator. We have this. And other children are being born to poor families, and I was in the Traffic Court recently fighting a traffic ticket. Right here in Philadelphia, I won. I was walking down the steps, and this girl walked passed me--well you've seen him too, you've seen my boy too. He happens to be a very beautiful little boy. And we were walking down the steps, and we looked out through the window at the people living across the street. And the man behind said, pointing to my kid, he smiled, and he said, that's the best time of life. And I said, oh, yeah! And I pointed across the street to a family, a house full of children. They were living there. The kids had no shoes on their feet. Right opposite the Traffic Court at Broad and Wood Street. You know the neighborhood I'm speaking of, [redacted] You know I'm not lying. Memo, SAC, dtd 10-7-65, 157-1193, S.E. [redacted]

Back in the days when men were kept as slaves and they lived for the sole purpose of killing each other, there were those who killed enough opponents so that they escaped from the, ah, or were given their freedom from the arena, and they went out and possibly prospered, and had slaves of their own. Back in the days of slavery in the UNITED STATES, there were those who had benevolent masters, who were happy under their slavery. There were those who were given their freedom, or escaped through the Underground Railway. And some of those escaped or ran away, or freed slaves, arose to become prosperous. But this did not change the fact that slavery was a horrible thing. And the fact that someone; that we still have the carrot on the string, and that every^{day} someone wins the ratrace; that everyday someone makes the [redacted] dream come true, and he escapes from the slums. And he can live it up good while he leaves millions behind him living in slums. This does not alter the fact that this horror is continuing; that people are living in slums; that children are living without shoes; that children are going to bed hungry; and it is not necessary. It is not excusable in a country as wealthy as the one we live in.

b6
b7C

[redacted] Well [redacted] to begin with, I want to state that you have just stated a typical, Left-wing explanation. Now, let me say something. Number One, we cannot all possibly be educationally, philosophically, or economically equal. We are all born as individuals. We happen to be born in the circumstances we are born. We live our lives as individuals. Now, as a result, there are some of us who are, what has been referred to as fortunate. There are others who have been referred to as being unfortunate. Now what I am saying is this in relation to this fortunate and unfortunate. A man can rise up, as many men have. Ah, ABRAHAM LINCOLN, GEORGE SCHWYLER, many great men who rose out of the slums. Incidentally, it is no shame for a man to labor hard. In fact, I was always taught that to labor hard is a very worthwhile thing by my parents. There is no shame in it. I work hard for a living. Lot of

Cheaper clothing. It makes them eat meals, that, it makes the mother of the family chose her meals on the basis of which food is cheaper rather than which food is most nourishing, or most tasty. The society eggs us on to get ahead of our neighbor and get ahead of our brothers. And society says, work hard, be a success, and you can drive a bigger car than your neighbor. I refuse this. I turn my back on this. I refuse to work, [redacted] so that I can wear better clothes than you. I refuse to work so that my kids can have more toys to play with than yours. I insist on working not only for my benefit, but for the benefit of all. And if you can find something wrong with that philosophy go ahead and find it.

[redacted] Very good, I agree with you to a certain extent. Now, let me clarify this. To begin with, a typical liberal tendency, a liberal socialist, and so forth, Left-wing tendency, is to keep blaming society for everything. Society does this, society does that. Let me remind you that it is the people that make a society. The society does not make the people. The people ^{were} ~~are~~ here a long time before we had society, before we had power, before we had government. It is people that make a society. Now, hh, you say that you would like to see everyone live comfortably. Well, so would I. But it has been proven that the American free enterprise system has produced more wealth in a greater abundance, for the benefit of more people, in a shorter time, than any other system that the world has ever known. And I challenge you to refute that in facts and figures. b6 b7C

(commercial interruption here)

[redacted] You just challenged me, and I gladly accept the challenge, and perhaps, if you listen, [redacted] with my refutation of what you just said I'll win you over to my side. Because in the first place, the American free enterprise system does not exist. There is no free enterprise.

Memo, SAC, dtd 10-7-65, 157-1193, S.E. [redacted]

b6
b7C

[redacted] I think when I tell you why it does not exist, then you will disagree. That reminds me. We had a kid in our neighborhood who was very bright. And this got him into a lot of trouble. And he also did foolish things every now and then, as bright children will do, as all children will do. One day, I guess his daddy bought him a box of candy bars. And he is walking down the driveway with a wagon full of these candy bars. And he is yelling, free candy, free candy, at the top of his voice. Well, we all rushed - this is a true story. I'm not making it up just to illustrate a point. - we rushed to the wagon, give me some of the free candy. He said, it's a nickel a bar. So, ah, well, you said it was free. He said, it's a nickel a bar. Now, do you want it or don't you? Well, this is your American free enterprise system. You guys run around screaming, free enterprise, free enterprise. But it's not free. I can't go out and open a business that I want to open. I can't go out and start any enterprise that I want to do, freely. I have to have capital to do it, and that is not free. When something costs money, it is not free. This is the argument that you people use. You talk about city colleges not being free. You say, nothing is free. You have to pay taxes for it. Well, if I have to go out and spend even two hundred dollars to open a business, then that is not free, is it? Of course it isn't. I'm not even free to take the type of job I want. If I go to work in the field that I want, it happens to be private enterprise. Whether or not I can work in my chosen field of work depends upon the whim of another individual. It does not depend on my ability. It doesn't depend on my experience. If I find somebody who wants to take a chance on this nut; if I find somebody who wants to take a chance of putting a real, honest-to-goodness Left Winger on the radio, and take his chances, then I go to work. This is strictly a personal whim on the part of a man. Now, one of my recent bosses happened to be a lawyer. Who, as a lawyer, earned \$3600.00 a week, ah, a week! His first year. Married a very rich lady whose father-in-law bought him a bank. Then he decided he'd like to take a flyer in radio, so he went out and bought a radio station. And then one day he decided to take a flyer on me. And I worked for this fellow. And he was so stupid that I used to insult him

And my last boss, who fired me, and who I sued, did not exercise free choico in firing me. He loves me. He wanted me to run for mayor of the city in which I was working. I wanted to leave the job, and he twisted my arm asking me not to leave. But a few potential sponsors got together, threatened to boycott him, and he was forced to fire me. So, here you have a case of a boss not having freedom of choice. Wake up, [redacted] it's a myth.

Bell to Name Recording Subscribers

The Bell Telephone Co. on Friday authorized district managers to identify subscribers who use their telephones to "broadcast" recorded messages.

A Bell spokesman said the company's change of policy was prompted mainly by numerous protests against a widespread recorded message entitled "Let Freedom Ring" which attacks leading American political figures, Negroes, civil rights leaders and others.

The Bell spokesman said the name and address of the subscriber would only be given out, however, if the person who asks for it knows the phone number.

When people call a public announcement service in response

to an expressed or implied invitation to do so—and such an invitation is inherent in the nature of the service—they are entitled to know the name of the sponsoring subscriber," said L. C. Bailey, Bell's operating vice president.

The "Let Freedom Number" is CO 3-6520, and is listed in the name of Robert Moore, 1923 Brandywine st. Friday's message from that number includes a reference to the Rev. Martin Luther King as a "Communist stooge." "Let Freedom Ring" has outlets in more than 30 cities. It was conceived by Dr. William Campbell Douglass, Sarasota, Fla., physician who is a member of the John Birch Society.

Dr. Douglass sells the service to local groups for \$24 for a year and \$12 per year thereafter.

Francis J. Gill, press relations supervisor for Bell, said the company does not consider itself "qualified to be censors" and "normally we don't listen to copy used by subscribers in their recorded messages."

Gill said the company could refuse service where obscenities were broadcast "or where laws were being broken" by the broadcast. "But we can't refuse this service to a legitimate applicant because we don't agree with him," he said.

Generally, Gill said, the company would be guided by the

law "in determining whether recorded messages should be allowed."

Last month the Anti-Defamation League of B'nai B'rith said it would ask the State Public Utility Commission to adopt new rules to deny anonymity for backers of "Let Freedom Ring."

Earlier ADL launched a national attack on the recorded service by asking the Federal Communications Commission to set similar rules for interstate phone messages.

In addition to raising the clock of anonymity the ADL asked the FCC to require telephone companies to amend their regulations so they would be obliged to refuse to accept messages containing defamatory statements known to be spurious or from a sender acting in bad faith and for the purpose of "troubling another."

LET FREEDOM RING

TUESDAY, 9-14-65

(CO 3-6520) PH 157-1193

LET FREEDOM RING. About two weeks ago, we announced that the local bleeding hearts, liberals and communists, would hold their annual peace fair. I attended that Peace Fair, and believe me, I never saw anything like it. It aroused both my anger and my pity for these people.

Throughout the day there was virtual condemnation of the UNITED STATES for everything, for its VIETNAM POLICY to our Capitalistic ideas. I think that the highlight of these treasonist words was the one gentleman who stood up and spoke like he thought he was somekind of a martyr for telling people to dodge the draft and for encouraging our young men in uniform to commit the crime of dissention. He thought he was a real hero for doing this.

Many of the groups' representatives have been accused in the past of being communist infiltrated and communist lead. They have denied that the Reds have had anything to do with them at all times; however, they did at their Peace Fair, presented a Polish Communist Film, made in POLAND which depicted a soldier teaching small children how to kill. Such niceties as scenes where the children were shooting up their teddy bears. And that beautiful scene where the soldier has taught these small children how to kill each other, and they do.

It must have taken somekind of a diseased mind to put that kind of a movie together. But it seemed to appeal to the diseased minds of the groups who sponsored this so-called PEACE FAIR.

Nearly two hundred years ago, NATHAN HALE, who died rather than betray his country said, I regret that I have but one life to give to my country. The line has changed somewhat with these people. Most of them regret that they have but one life to live in this country, and they would rather betray their fellow human beings to the communist regime in this world.

Our freedom was won indeed and blood. We have no right to give up any part of it for anything less.

Our address is Post Office Box 8984, Philadelphia 35, Pennsylvania.

LET FREEDOM RING.

The Metropolitan Music School, Inc. and the Highlander Center are both privileged organizations in that neither of them pay any Federal Income Tax. The Metropolitan Music School is a government-cited Communist Front and the Highlander Center is run by known Communists and Communist Sympathizers.

Loyal Americans have to pay more because these and many other communist promoting organizations pay nothing. In effect, the American people are being forced through government granted tax privileges for subversives, to pay for TREASON against themselves.

THURSTON SCOVILL (PH), a 27 year old American, was killed with your tax money. The KENNEDY-JOHNSON Administration gave the King of Cambodia an American fighter aircraft, just a trinket among 30 million dollars in aid received that year by Communist Cambodia. The King gave the trinket to his son and his son used it to shoot down and kill young SCOVILL, who was unarmed.

How much longer will the American people accede to the paying of taxes for such criminal purposes. The only way to bring arrogant and disloyal bureaucrats to heel is to take away their money. This can be accomplished by passing the Liberty Amendment, which would abolish the graduated personal income tax.

America fought its wars, paid its debts and provided essential services to its citizens before the income tax was enacted in 1913. In fact, one of the reasons for our fabulous success was that we did not have an income tax which would give unscrupulous politicians the power to oppress us.

Lets free the only real poverty fighter - the American working man - from his tax chains. Lets pass the Liberty Amendment and repeal the graduated income tax.

For more information on the Liberty Amendment, send 10¢ in coin to Liberty Amendment, Box 1775, Sarasota, Florida.

Let Freedom Ring. April Fools Day has been moved up to April 15th. That is the day the American People send to Washington millions of dollars in Tax Payments that are being used in part to finance our enemy. It is a grim april fool joke to see our government exporting to Soviet Russia, chemicals to make Polystyrene. The Polystyrene is used in Land Mines that will tear the limbs from American Soldiers in Viet Nam, April Fool Sergeant. The Polystyrene is also used to make Capacitors for Soviet Surface to Air Missiles, these Missiles have been used in Viet Nam to shoot down and kill American Pilots; April Fool Lieutenant. Americans are horrified to see their Tax Monies being used to finance, either directly or indirectly, the Vietcong, the Communist dominated United Nations, and the Russian Economy. There is only one way to stop this outrageous plunder of the American People and that is by repealing the Sixteenth Amendment to the U. S. Constitution, The Personal Income Tax. The Second Plank of the Communist Manifesto states that to destroy Capitalism a graduated Income Tax is essential. The Government makes more than enough money thru Excise Taxes and Corporation Taxes to meet the legitimate expenses of Government, including our defense program. For information on the growing grass roots rebellion against the Income Tax and why this rebellion is needed: send Ten Cents in Coin to Tax Report, Box 1775, Sarasota, Fla. b6

Let Freedom Ring. SENATOR JAVITS of New York became very unhappy because Let Freedom Ring revealed his unusual background, he said that Let Freedom Ring was quote "A push-bottom approach to mass libel" unquote. But MR JAVITS did not deny any of our charges, we have decided to revisit SENATOR JAVITS and to put into focus for the American people why we think that JAVITS opposed our anti-communist program and we think that it is important for people to understand the/more about the background of SENATOR JAVITS from New York. SENATOR JACOB JAVITS proclaims that his is a (variant) record, let's take a look at that record. The senior senator from New York was an ardent defender of the communist infiltrated Mobilization for Youth. A New York state examination revealed this organization to be a communist front but MR JAVITS seemed to consider it worth saving, is it any wonder that JACOB JAVITS would like to abolish the investigative committees of congress that have served so well in exposing communist traitors in our midst. JAVITS has introduced legislature that establish an international welfare state totally financed by the sweat of the American taxpayers, he has inserted in the bill the provision that anyone that apposes it should be sent to jail. One of the senators most ardent defenders is Representative Emmanuel Cellars, MR CELLARS has been affiliated with 45 separate communist front groups and enterprises, 17 of which have been cited by the attorney general of the U.S. as subversive. Why is JACOB JAVITS defended by a man with such a record? GOV. ROCKEFELLER says that his fellow moderate republican ~~XXXXXX~~ JACOB JAVITS, will be New York's favorite son for the republican vice-presidential nomination in 1968. Does JACOB JAVITS deserve to be New York's favorite son? We urge you to read the explosive new book on the controversial MR JAVITS and decide for yourself. " Let Freedom Ring.

Memories are short. Few people recall that not many years ago no one got excited when CHARLES DE GAULLE was accused of being a Communist. The Los Angeles Examiner, a highly respected newspaper, said 22 years ago that DeGAULLE was a communist tool and that he was delivering France to Communism. Yet 19 years later, when DeGAULLE pro-communist leanings had become even more obvious, the JOHN BIRCH SOCIETY was accused of irresponsibility for revealing what had been obvious 22 years before.

JACQUES SOUSTELLE, none other than the former vice-premier of France has concluded that France was betrayed and that CHARLES DeGAULLE is indeed an anti-American megalomaniac determined to remake Europe in alliance with the communists.

Considered in the light of this highly responsible testimony, CHARLES DeGAULLE's seemingly self-defeating policies toward NATO, Viet Nam and the United States do make sense. Here is some other facts that Americans seem to have forgotten. CHARLES DE GAULLE has been consistently supported by the French Communist Party. DeGAULLE's dictatorship executed 100,000 anti-communists patriots after World War II. This is five times the number of people killed in the entire French Revolution. In World War II, DeGAULLE did not fight, but deserted the French Army and sat the war out in England, where he plotted his take over of France. Algeria was turned over to the Soviets by the two faced DeGAULLE. The courageous French Army, once one of the strongest anti-communist forces in the world, was utterly destroyed by this pro-communist traitor.

Every American who wants to fully understand the treachery of CHARLES DE GAULLE should read THE TRAGEDY OF FRANCE.

For \$1.00 we will send you this enlightening paper bound book. Send your dollar to TREACHERY, Box 1775, Sarasota, Florida.

From 4:00 PM through midnight at regular and repeated intervals the phone TU 4-1885 was dialed. All of that time the answer was a busy signal. At 8:30, I had the verification operator check to see if the line was operative and she reported it was working and was actually busy.

The possibility presents itself that someone has dialed the number and left the receiver off the hook to prevent others from getting through. If this was the case, the recorded message would probably repeat itself ad infinitum with no one else being able to get thru (and the verification operator would hear the message being said when she checked the line.)

The last check was made on the number at 11:58 PM and the line was still busy.

LYNDON: JOHNSON'S War on Poverty is the greatest domestic scandal in our history and according to the mayor of Syracuse, N.Y., it is a government financed training grounds for communist revolutionaries. Frankly Communist literature is used in the War on Poverty teacher teacher training and one Anti-Poverty Official gleefully described the program as a death blow to the states.

Federal baby sitting, also called Project Head Start, costs more per child in Washington, D.C. than tuition at the areas most expensive university.

Burglary, drunkenness, rape and even murder is reported throughout the Youth ~~GROUPS~~ Groups and the Womans Job Corps Center in Charleston, W. Va. became a center for prostitution.

Working against local law enforcement officials, anti-poverty funds have been used to bail out law violators in Mississippi and New York. Members of the Armed Forces fighting the deadly Viet Cong, must hire their lawyers out of their own funds if they run afoul of the law.

The Federal Government has been paying blackmail to over 300 armed goons and assassins in Harlem in an attempt to head off a Los Angeles type riot. This blackmail money, paid by you the taxpayer, will enable the criminals to expand their subversive training program to the point where even the New York Police Department, the finest police force in the world, may not be able to stop them.

While Americans worry about atomic attack, the Communists prepare to destroy us from within by using our own government financed revolutionists.

Prohibius, in the second century before Christ said "Stirred to fury and swayed by passion, they will demand the lions share. When this happens, the state will change its name to the finest sounding of all. Freedom and Democracy. It will change its nature to the worst thing of all - Mob Rule. Civil Rights

By Honorable Ross R. Barnett

THE HISTORY books do not record that any other nation, at one hundred year intervals, has been twice thrown into convulsive agitation over the impecunious demand of one class or race of people that they be absorbed into the society of another. In fact there is no other instance of such an occurrence. There must be, somewhere, a reason for the singularity of this situation.

Perhaps it lies in the lack of racial pride of the American Negro himself. The Negro writer, Manning Johnson says that due to lack of race pride, there is no immunity. I do not attempt to debase the Negro race, for its many

good qualities must be recognized. It is to be lamented that the many thoughtful, responsible Negroes — in the Booker Washington tradition — have been pushed aside as "Uncle Toms" in the insensate struggle now going on. They should reassert themselves and repudiate the poisonous doctrines now being urged upon them.

It is not sufficient to brand the Civil Rights statutes un-Constitutional, and let the matter drop there. The infection lies much deeper. All such pretended laws are repugnant to and utterly destructive of the broad underlying principles and concepts of the principles under which we live and under which our nation has grown so great. These precepts are, as stated above, many centuries older than the Constitution itself. They are the elements out of which the Constitution was created.

They are the imponderables of the civilization of the English speaking world, the impersonal law, the functional self-subsisting law, the greatest work of genius devised by the mind of mankind in the field of self government.

Must we stand helplessly by and watch their desecration? In the name of freedom, freedom is being destroyed. In the name of liberty, liberty is being destroyed. "Oh, Liberty, what crimes are committed in they name."

"The last hope of our Constitutional form of Government rests in the conscientious enforcement of our State laws; and the perpetuation of the sovereignty of the States. Without this, there can be no government of, by and for the people. If our nation is to survive, we must maintain strong State Governments and unity in matters of national security."

The rumor has been extant that [REDACTED] in the fight to stop the importation of Communist slave labor products, had been kicked out of the American Legion. The National Headquarters of the American Legion did indeed attempt to get the local Post to do this because [REDACTED] had the temerity to suggest that the American Legion should not engage in helping our country's enemies. The local Post, in effect, told the National Headquarters to go fly a Chinese Communist kite!

Because we mentioned that the contraband LSD originally came from the Weitzman Institute in Israel (although we were careful to point out that it is now manufactured in the United States) various left wing groups have called us "racists" and "anti-Semitic". In answer to this, we sent out the following news release which, as far as I know, did not appear in any of the papers that made the original attack against us:

"To: All News Media

Subject: Let Freedom Ring broadcast of December 27, 1966

It has been stated by certain left wing groups that Let Freedom Ring is "anti-Semitic" simply because we pointed out in our release of December 27, 1966, that "large quantities" (enough to make 18,000 doses) of LSD had been smuggled into the United States from Israel and that the contraband drug had been manufactured at the Weitzman Institute in Israel.

We suggested that the Weitzman Institute be investigated along with the entire LSD problem. The only reason the Weitzman Institute was singled out was because this is indeed where this large quantity of LSD came from, according to U. S. Attorney Cecil Poole. If such large scale smuggling is to be stopped, it must be traced to the supplier who would probably be at or near the source of manufacture.

LET FREEDOM RING!

Why do American boys continue to die in Viet Nam when none other than the Chief of Staff of the United States Air Force has said that we could win that war virtually overnight?

Why does the American commander in Viet Nam sound an uncertain trumpet? In February of 1966, when General Westmoreland was asked if he thought the Communist port of Hai Phong should be destroyed, he dodged the question. Why does the American commander avoid the issue of victory in Viet Nam?

Victory was denied us in Korea, and stalemate is the objective again in Viet Nam, because America's troops are no longer completely controlled by the United States. General Westmoreland, the field commander in Viet Nam and himself a member of the Communist-accommodating Council on Foreign Relations, has two bosses: The President of the United States and Russian General Alexi Efremovitch Nestrenko who, as head of U. N. Political and Security Affairs, is really the commander in chief of the U. N. Army in Viet Nam! Can we really expect to win in Viet Nam when our Communist enemies in the United Nations know what is going to happen before the American commander in the field?

In Korea, tens of thousands of Americans died for a disoraceful stalemate against an inferior enemy force because the Communist enemy had infiltrated our shores here at home and controlled the Korean war through the United Nations.

LET FREEDOM RING!

Tens of thousands of Americans died to save the police state of Bolshevik Russia from the police state of Nazi Germany. In Korea, tens of thousands more died for a dishonorable stalemate and America became, in the eyes of the orientals, a paper tiger. And now in Viet Nam, Americans are again dying with, as General MacArthur stated it, "neither promise nor hope of victory."

Why are Americans again dying for the United Nations "with neither promise nor hope of victory"? The answer is: Because it was planned that way. Communists within the United Nations have maneuvered American troops into a meat-grinder. Our forces in Viet Nam are under United Nations command and the U. N. commander is none other than Russian General Alexi Efremovitch Nestrenko.

Russian General Nestrenko, directing our forces from the U. N., must have a good laugh watching American airmen crash and burn to death attempting to destroy trivial targets designated by him from the U. N., or his stooges in the Defense Department, while the docks at Hai Phong Harbor remain intact. Nestrenko must laugh when he hears of American lives being jeopardized because of a shortage of sterile pads, blood and penicillin. Is it any wonder that Air Force professionals, seeing "neither promise nor hope of victory", are leaving the service in ever-increasing numbers?

There's an influential organization in the United States known as the United Church Women. After studying the preachments of this organization, our question is: United for what?

Most people do not realize, and probably many women who are members of the United Church Women are unaware, that the UCW is merely an arm of the Communist-accommodating National Council of Churches. Where many people have become skeptical of any literature or pronouncements of the far-left National Council of Churches, the same propaganda of the National Council of Churches, which in so many cases is similar to Communist propaganda, can be fed into churches and other places by way of fronts such as the United Church Women.

This organization, not generally known as a mouthpiece for the National Council of Churches, can be used to further the same pro-Communist propaganda

We do not want to accuse the United Church Women of being Communists or knowingly permitting themselves to be used by the Communists. But what they are doing, even though it springs from the highest of motives, is to further the Communist conquest of the world by acting as a spokesman for the National Council of Churches. The United Church Women are helping to promote a Communist world dictatorship -- whether they know it or not.

Most Americans probably think of the United Church Women as representing respectable upper middle class ladies who are interested in local civic projects. But in reality, the United Church Women is nothing more than a propaganda arm of the pro-Communist National Council of Churches. And, like the National Council of Churches, the United Church Women pushes hard for U. N. world government.

Congressman Martin Dies, former Chairman of the House Committee on Un-American Activities, said in the February, 1966, issue of American Opinion Magazine (quote): "The United Church Women claim that they are out to establish...peace...But does the way to peace lie in the surrender of American Independence? If that is what they mean, (and that is what they say), then the United Church Women are using the word peace just as the Communists intend them to use it...the peace of slavery and atheism, the peace of the Commissar.

"While one can sympathize with many of the fine Christian women who may
